Reds In Korea Open New Attack After Lull At The Front

Follows Hurling Back of North Koreans in the Pohang Sector

By the Associated Press

TOKYO, Friday, Sept. 1—(AP)— The Korean Reds threw a major two-division assault against the U.S. 25th Division in extreme South Korea today.

There were fragmentary reports that the Reds also were heavily attacking the U.S. Second Division farther north along the Naktong river.

AP correspondent Stan Swinton reported from the southern front just west of Masan that the North Korean invaders struck before dawn at 15 points after a heavy preparatory barrage.

Fighting was raging today all along that front in what might be the start of a new general Red offensive, Swinton reported.

The new Communist onslaught, which had been long expected but had been delayed, following stalling on Red efforts to crack the United Nations defense lines on the northern and eastern fronts.

The new outbreak came as American and South Korean forces on the east coast anchor of the defenses hurled the Reds back north of the port of Pohang.

The enemy had tried for two days to crack through to Pohang along the east coast road but General MacArthur's post-midnight summary said they had been driven back within 500 yards of their starting point, about four miles north of Pohang.

ON THE MASAN FRONT, Korea, Sept. 1.—(AP)—Up to two North Korean divisions, spearheaded by tanks, smashed at the 25th U. S. Division in a major attack before dawn Friday.

The Reds struck at 15 different points in what may be the beginning of a new communist offensive.

Fighting was raging all along the southwest front.

A roaring preparatory barrage of artillery and mortar fire preceded the attack.

They moved from three to four miles north of the city beyond the spot where an enemy roadblock Thursday had made it impassable.

Army photographer Ray Turnbull of Miami Beach, Fla., reported the road reopened. He accompanied American tanks and infantrymen north of the port city and returned to Taegu, main Allied bastion west of Pohang later in the day.

Fail On Deadline

The Reds had missed their target deadline—last midnight—for driving the United Nations forces out of Korea. It was set by Red Premier Kim Il Sung.

Deep on the south coast at the other end of the 120-mile long battle-line, South Korean marines reported the capture of large amounts of enemy materiel and the killing of 500 Reds in two weeks.

The Pohang action high-lighted the Thursday activities on the warfront.

Allied planes continued to hammer targets with a fury that gradually was eliminating Communist rolling stock, industrial plants, ammunition dumps and materiel stockpiles.

The North Koreans were reported losing 1,000 men a day in the drive on Pohang mounted by 26,000 men.

The air force estimated it killed 1,200 North Koreans in strafing and bombing attacks on the frontlines at Pohang. Seven hundred Red dead were counted in one sector and 500 more in another.

Increase Losses Heavily

Warships and tank guns added heavily to the enemy losses during Thursday, when the North Korean drive gained only about four blocks on the outskirts of the No. 2 southeast Korean port.

Along other fronts of the box-shaped defense perimeter there were these developments:

At Changnyong, 23 miles southwest of Taegu, the U. S. 2nd In-

Korean Situation At a Glance

By the Associated Press

KOREAN WAR FRONTS: Tanks, planes and naval shelling help U.N. forces stop 26,000 Reds driving on Pohang. The push was held a mile and a half outside the city. American tanks reported rolling four miles north of Pohang. Red drive at Kigye stopped by South Koreans. Americans attack on Naktong river and southern fronts. Big guns open up on eight Red tanks moving eastward in Taegu sector.

TOKYO: Allied intelligences says Pohang drive apparently signalled opening of supreme Red effort to break U.N. defenses. Breakthrough might have heralded general offensive by 150,000 Reds ringing 120-mile battle perimeter. Australian troops land en route to Korean battlefront.

AIR WAR: Fleet of 90 B-29s smash at targets in North Korea, plaster Chinnampo, Pyongyang's port, with 600 tons of bombs. B-29s, light bombers and fighters hit bridges in Seoul area, report all spans knocked out. Fighters and fighter bombers smash hard at Reds in support of Americans and South Koreans on battlefront.

Kiwanians Told of Korea

John K. Anderson Is Speaker at a Luncheon Today

An outline of Korea, legendary and historical, from 2,000 B. C., until the present was traced in a talk by John K. Anderson, Sedalia Democrat compositor, before the Sedalia Kiwanis club meeting in Bothwell hotel Thursday noon.

Anderson served in the Counter Intelligence Corps of the army and was located for a time in Seoul, capital of Korea. He became acquainted with the people and their customs and background while there and related numerous interesting experiences. From information and observation while in that country, Anderson was of the opinion four years ago that the 38th parallel would be the scene of the prelude to World War III.

The speaker was introduced by Program Chairman George H. Scruton.

William Ward led in singing the birthday song for the following, whose anniversaries were in August: W. M. Johns, M. D. Giokaris, Dan Robinson, C. L. Carter, C. O. Botz, A. R. Rush, Paul Hedderich, A. W. Klang, Robert Malone and Mrs. Nellie Monegan.

President Herbert Schrankler announced there would be a board of directors' meeting with committee chairmen in Bothwell hotel Friday noon.

I. H. Reed will be program chairman for the September meetings.

Asks Cut in Appropriations

WASHINGTON, Aug. 31—(AP)—Chairman Cannon (D.-Mo.) of the House Appropriations committee called on the Budget Bureau today to cut more than $550,000,000 from the $36,000,000,000 general appropriations bill.

Congress adopted a provision directing the Budget Bureau to trim non-military items by that amount. But Cannon said the figure is a minimum, not a maximum.

In a letter to budget director Frederick J. Lawton, Cannon said the wording of the law "places the burden on the director of the budget to impose reductions above and beyond $550,000,000 to such a degree as is possible without impairing national defense."

Lions Club Listens To Prof Woods

Speaker Explained Fundamentals of UN And Its Importance

"The United Nations The Hope of the World," was the subject of Rolla F. Woods, professor of History at the Central Missouri State College, in his talk to the Sedalia Lions Club, Wednesday night. The meeting was held at Dan's restaurant on South Ohio avenue.

Prof. Wood, explained the fundamentals of the United Nations. "Some criticize the U.N. other have faith in it," he explained and then compared his remarks with the people who "criticize the government while others praise it."

People Should Serve

"People should be compelled to serve in our city governments, just so they could see the inside of its workings which in a small way compare with the national government. They would have a far better understanding of government, which would make them less critical," he remarked.

Prof. Wood, then began his talk on the "UNESCO", and told what the United Nations stands for. He said it was organized to keep peace. "But," he remarked, "We have not yet had Peace; since World War II, Peace has never been made."

He also remarked on the Jewish people who he said in 2,000 years never have had a country to call their own." The United Nations, have started on a solution in making it possible for the Jewish People to have their own country, to call their homeland. It make take 100 years, 200 years to get it established, but the United Nations is on the right track."

On Blockade Breaker

In reference to the Berlin blockade, he said the U. N. had a great part in getting this lifted by the Russians.

Closing his talk he assured the group "when peace is established the United Nations will play a great part in keeping it."

Prof. Wood was introduced by Ralph Becker, program chairman for the month.

Guest were W. O. Wiley, Kansas City of Lloyd Phillips; Nathan Jones, Sedalia of A. W. Haller; Leeton French, Kansas City of Bob Moore.

The club voted to present a contribution to Melvin Jones, Secretary-General of the Lions International for Lions City near Chicago. Secretary-General Jones will be the honored guest at a meeting in which the 200th Lions Club will be chartered at Jefferson City on Tuesday September 5. The presentation will be made at that time.

Kenneth A. Buchholz, president presided.

Called to Service But Already in Korea

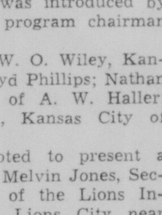

CHILLICOTHE, Mo., Aug. 31—(AP)—Sgt. Edwin E. Bowe was called to active duty from the reserve list this week.

But he won't answer the call.

He's already in Korea, having been in the thick of the fighting since July 5 with the 24th Division.

Sergeant Bowe, a veteran of 11 years of Army service, re-enlisted in the regular army in June 1949.

Private Lives Life of Colonel

WITH U.S. FORCES IN KOREA, Aug. 31—(AP)—A 19-year old private in the Air Force is living the life of a colonel.

For the past month Pfc. Stanley Tompkins of Kirksville, Mo., has had a colonel's job—without the eagles.

He volunteered to stay behind to handle communications when a forward airfield was abandoned. That made him commander of what was left of the base.

Tompkins slept in the colonel's bed, used the colonel's electric razor, helped himself to some of the provisions the colonel left behind. And when he answered the phone he complied with Army procedure, thus:

"Pfc. Tompkins speaking—base commander."

Hanging To Three British Soldiers

FAYID, Egypt, Aug. 31—(AP)—Three British soldiers were hanged early today for the murder last April of an Egyptian garage night watchman.

The public was barred from the hanging.

The mothers of the three soldiers, who paid a last one-hour visit with them Wednesday after flying from London were in Cairo at the time of the hangings.

Take It To Truman Says Johnson

Terse Defense Is Made For Self And Sec. Acheson

WASHINGTON, Aug. 31—(AP)—President Truman said today he has not been "embarrassed" by Secretary of Defense Johnson and wants him to stay in the cabinet.

The president, commenting on Johnson's statement last night that he has no intention of resigning unless the president asked him to do so, said he had no plans for such a request.

As for Johnson's embarrassing him, the president said if he had been embarrassed by any actions of Johnson, everybody would have found it out, because he would have announced it.

Mr. Truman's news conference comments added up to a defense of Johnson and general backing for the reply the secretary of defense made last night to his critics.

By C. Yates McDaniel

WASHINGTON, Aug. 31.—(AP)—Louis Johnson says that from now on anyone who wants him to resign as secretary of defense should take his complaints to President Truman.

And that goes for critics of Secretary of State Acheson as well, Johnson told a congressman who had urged him to step out.

Releasing his reply to the house member, Rep. Tauriello (D-NY), Johnson broadened the audience for a defense of his stewardship to include "many American people" who have "been misled by misinformation" about the defense department.

At about the time he was giving newsmen copies of his letter yesterday, the Veterans of Foreign Wars encampment in Chicago called on Mr. Truman to replace both Johnson and Acheson. Johnson, a veteran of the first world war, is a former national commander of the American Legion.

That the secretary should defend his own regime was not unexpected. He has done so before. But he gave added emphasis to his statement by blanketing in Acheson as a target of what he declared are politically-inspired attacks.

The state and defense departments have frequently been reported at odds on high policy issues.

Says They'll Remain

President Truman recently told a news conference that both Acheson and Johnson will remain in the cabinet as long as he is in office.

In his letter to Tauriello, Johnson blamed the coming congressional elections for many of the attacks on him and Acheson.

He said he realized such attacks

LISBON, Portugal, Aug. 31—(AP)—A U.S. military mission arrived here today from London The mission will discuss with Portuguese officials how Portugal's army and navy can best line up with those of other Atlantic pact nations.

Draft Soon be Extended to Ones Married

Thought Necessary To Take Fathers To Meet Needs

WASHINGTON, Aug. 31—(AP)—Chairman Vinson (D-Ga) of the House armed services committee said today the draft soon will be extended to married men with dependents.

Without taking fathers, Vinson told reporters, draft boards will not be able to meet future calls to increase the size of the armed forces.

Vinson made the statement just after the House passed a bill providing for allotments of from $85 to $165 a month for GI families.

"This means," he said, "that Selective Service now can broaden its calls to include men with children who are within the draft age.

"That is the purpose of the Allotment Act, to make financial provision for the families of such men."

Would Lower Standards

Vinson said he planned to question Selective Service and military heads soon about the present standards for draftees.

"The IQ (intelligence) requirements now are too high," he said. "It seems that many more men can be inducted if the mental requirements are lowered. That would mean that fewer fathers may have to be called, but many of them are going to be drafted regardless of what else happens."

Maj. Gen. Lewis B. Hershey, Selective Service director, said yesterday that nearly 60 per cent of the men now being called in the draft are rejected as unfit for service.

Hershey complained that the armed services are being too choosey.

A Selective Service spokesman said the draft could be extended to men with dependents by a change in regulations, made with approval of the president. Such a change would not require legislation.

Not Hold Fleet After Peace For Korea

Truman Declares Formosa be a Treaty Subject

WASHINGTON, Aug. 31—(AP)—President Truman said today it will not be necessary to keep the 7th Fleet off Formosa once peace has been settled in Korea.

Mr. Truman, at a news conference, also told reporters:

1. The incident created by Gen. Douglas MacArthur's message on Formosa to the Veterans of Foreign Wars, which the President personally ordered withdrawn, is a closed incident.

MacArthur had said Formosa is a link in the American defense chain that must be kept in friendly hands. He implied it must be so held even after the Korean fighting is over.

2. He hopes there is no great danger of Red China's becoming involved in the Korean conflict.

3. He could not answer a question as to whether United Nations forces will stop at the 38th parallel when they take the offensive in Korea.

Mr. Truman said the Formosa question is one for settlement in a Japanese peace treaty to be worked out with the Allied nations which fought Japan.

Sergeant Reported Missing is Safe

CHAFFEE, Mo., Aug. 31—(AP)—Sgt. John F. Adams, Jr., listed as missing in action by the department of defense, has made his way back to his outfit from behind enemy lines in Korea.

Relatives here said they received a letter from the Sergeant saying that he had been isolated from his unit but had made his way back. He asked them to ignore any report from the Defense Department that he was missing. Adams warned his wife she probably would receive such a message.

Postmasters Nominated

WASHINGTON, Aug. 31—(AP)—The following postmaster nominations for Missouri have been sent to the Senate by President Truman:

Ralph D. Hall, Doniphan; Joseph O. Burchfield, Marshfield, and Maurice G. Lentz, Sumner.

Dies in Hospital

Dr. M. P. Shy, Sedalia surgeon, who died early today following a long illness.

Dr. M. P. Shy Passes Away This Morning

Widely Known Surgeon Here For Many Years

Dr. Milton Porter Shy, 77 years old, 1023 West Seventh street, one of Central Missouri's most widely known physicians and surgeons, died at the Bothwell hospital at 2:45 o'clock this morning. He had been in falling health for several months, and a patient at the hospital for several weeks.

Dr. Shy was one of the best known doctors in this area and he became one of the Missouri's outstanding surgeons, patients coming from nearby counties and communities to be attended by him. He had been a resident of Sedalia for more than forty years, coming here from Knob Noster where he began his practice of medicine in 1900.

He was the son of the late David J. Shy and Sallie Godbey Shy and was born July 31, 1873 at Smithton. On July 31, just past he celebrated his seventy-seventh birthday with friends and relatives.

Taught In Schools

His early school education was received in the schools at Smithton and later he attended Otterville college. Later he taught in the schools of Pettis county while preparing himself to start studying medicine. He entered the Kansas City Medical School and was associated with Dr. J. D. Griffith, of St. Joseph hospital in Kansas City, one of Missouri's outstanding doctors.

In 1900 after graduating from the Medical College and being licensed he went to Knob Noster where he began his practice of internal medicine. He went to New York where he took post graduate courses in surgery and made this profession a life-long study.

Here From Knob Noster

Dr. Shy came to Sedalia about 1910 from Knob Noster and associated himself with the staff of physicians and surgeons at the old Missouri, Kansas and Texas railway hospital, then located at Broadway and Hancock avenue, now Washington Park. He served at this hospital for many years and after a period of years became Chief Assistant to the late Dr. E. F. Yancey, then Chief Surgeon.

Although affiliated with the M-K-T hospital he had his own practice in Sedalia serving patients from not only the railroad but surrounding communities.

Dr. Shy was active in medical affairs not only in Sedalia but in the State of Missouri. He was a member and past president of the Pettis County Medical Society, a member of the National Association of Chief Surgeons, American Railway Hospital Association, American Medical Society, the American College of Surgeons and served on the membership

C. of C. In the Freedom Crusade

The Sedalia Chamber of Commerce will participate in the Crusade for Freedom and will give dfull support and co-operation, according to Harold Seaberg, president of the C. of C.

A national committee for a Free Europe, composed of influential citizens, has launched a nation-wide drive to spread the facts of the free way of life among those who know only the Communist rule and signatures will be placed on a freedom scroll, these scrolls to be taken to Berlin, where they will be placed permanently in the base of a huge freedom bell which will be hung in Berlin.

Twenty-three On Aircraft Americans

Injuries to 15 In Derailments

LAMASAS, Tex., Aug. 31—(AP)—At least 15 persons were injured in two train wrecks about 100 miles apart in central Texas early today.

A Santa Fe passenger train left the rails in pre-dawn darkness near here. At least 11 were hurt, none seriously.

Near Teague, about 100 miles northeast of Lampasas, four men were injured as 47 cars of a fast Rock Island freight derailed.

About 40 persons were aboard the passenger train. A Santa Fe spokesman said "we were awfully lucky no one was killed or critically hurt."

The injured in the freight train wreck were reported to be an engineer, fireman and brakeman, and an unidentified Negro. Most of the cars carried wheat, much of which was scattered along the track.

The wreck of the Santa Fe passenger train tore up a long stretch of track.

Fractures Skull in Fall Off Horse

Dean Eckhoff, 14 year old son of Mr. and Mrs. Elmer Eckhoff, of Knob Noster, received a fractured skull when he fell from a horse at about 4:30 o'clock Wednesday afternoon while riding near his home.

Dean and his cousin, Dudley Roberts, were riding along the road when they started to turn a corner and Dean fell from his horse. Dudley, about the same age, ran to the home of their grandfather, Will Eckhoff for help and Dr. G. W. Grove was called immediately. The boy was brought to the Bothwell hospital in Sedalia where his condition was considered critical until about noon today when he began to rally and according to Dr. Grove was better.

New Effort to Free Rutledge

Appeal Brief For Doctor is Filed Today

DES MOINES, Aug. 31—(AP)—The Iowa Supreme Court today was asked to reverse the conviction and 70 year murder sentence of Dr. Robert C. Rutledge, Jr.

The attorneys for the 29-year old St. Louis doctor described his conviction of the slaying of Byron C. Hattman, St. Louis aircraft expert, as unjustified. Their appeal brief said the 70-year sentence was "monstrous."

Hattman, bachelor admirer of Dr. Rutledge's pretty blond wife, was found dead in a Cedar Rapids, Ia., hotel room in December, 1948.

During his trial six months later, Dr. Rutledge claimed he accidentally killed Hattman in self-defense when he remonstrated with Hattman over "his attentions to Mrs. Rutledge."

Dr. Rutledge was freed from the Iowa state prison at Fort Madison last May on $40,000 bond pending his appeal. He had served several months of his sentence at the time. He was met at the prison gates by his wife, Sydney, and they went together to Houston, Tex., home of his parents.

Dr. Rutledge's attorneys assert the strongest possible verdict the evidence will support is "manslaughter." They contend the prosecutor and his assistant "were guilty of flagrant misconduct in their arguments to the jury."

Rodeo Performers Wed On Horseback

OTTAWA, Kas., Aug. 31—(AP)—Two rodeo performers were married on horseback last night at the Franklin county fair rodeo.

They were Maynard Miller, 20, Rich Hill, Mo., and Miss Doris England, 19, of Ottawa. They were mounted on white horses as was the minister, the Rev. L. C. McDonald, Guthrie Center, Ia.

After the ceremony they took part in the rodeo performance before a crowd of 4,000.

Airliner Burns As it Plummets To the Earth in Flash of Flames

CAIRO, Aug. 31—(AP)—A Transworld Airline Constellation plane carrying 55 persons, 23 of them Americans, crashed and burned today north of Cairo, killing all aboard.

The airline announced there were no survivors among the 48 passengers and seven crewmen. Reports from the scene said the plane was so badly burned that only a small section of it remained intact.

The bodies of the victims, many of them notables and representing a dozen countries, were so badly charred that identification at once was impossible.

Officials of the District Governor's office in Behaira province placed the scene of the crash near Etay Baroud, about 75 miles north west of Cairo. Eyewitnesses said they saw the big four-engine "Star of Maryland" plummet to earth in flames.

Earlier the district governor's office had held out hope that six of those abroad had survived, but this was dashed by messages direct from the scene, to which rescue teams had been rushed as soon as a TWA search plane spotted the wreckage in the Nile delta area. TWA said the bodies are being removed by plane to Cairo.

Five of Crew Americans

Five of the crew of seven aboard the plane, bound from Bombay, India, to Rome, were Americans. Eighteen of the 48 passengers were Americans, and the remainder represented 11 other nationalities. Two passengers were Indian Nationals en route to a United Nations meeting in Paris.

Another passenger was the Egyptian movie star Lilianne Cohen, whose screen name is Camelia. She is known at "the Lana Turner of the middle east."

The Americans listed aboard included Aubrey William Schofield, 52, of San Antonio, Tex., and New York. He has been manager of the eastern hemisphere foreign production division of the Gulf Oil company.

Another American was listed as William C. Gist, son of Justice Ervin Gist of Lake City, Ia. The Senior Gist is administration services and transportation officer at the U. S. embassy in Cairo.

Three other Americans on the passenger list were identified as from the U. S. air force base at Dhahran, Saudi Arabia. The names were listed as Melvin Hanson, Derek Owen William and Harry Richard Woods. No addresses were given.

Pilot Veteran Flyer

The Paris office of TWA listed the crew as follows:

Capt. Walton B. Webb, a 10-year veteran of TWA, pilot; Haldon Hammitt, first officer; Harley B. Hackett, navigator; Melvyn G. House, flight engineer; Herbert J. Stiles, radio operator; Jose J. G. Bernard, purser, and Jeanne Claire Lorenzie, hostess.

TWA said another of its pilots was aboard as a passenger, on vacation with his wife and two children. They were identified as Francis Pope, his wife, Helanita; a daughter, Mary Louise, and a son, Paul F. Their home addresses were not given.

The plane left Cairo for Rome at 1:30 a. m., local time, today (6:30 p. m., yesterday, EST.) It was last heard from at 1:57 a. m. First indication that it had crashed came when it was reported overdue at Rome five hours later. An air search began immediately, and a TWA plane located the wreckage 22 miles southwest of Tanta, between Cairo and Alexandria, the line reported.

Investigators to Scene

Investigators were dispatched to the scene at once, by the airline and the civil aviation department. The civil aeronautics bureau in Washington also dispatched two investigators to the scene.

The loss of 55 lives would make

State Fair Awards

EDUCATIONAL EXHIBITS

Platte and Crawford counties, Sedalia, Smithton, School of the Osage and Roosevelt of St. Louis received first place ratings in various events of the Educational exhibits at the 1950 State Fair, it has been announced by the judges.

Crawford County received the award for having the most attractive booth in the rural section, and this county also amassed the most points in the 34 events for which prize money was given—thus placing first in the best exhibit class. Crawford County has consistently placed first in these events during the past several years. Moniteau was second, Platte third and Cass fourth in the county school competition for the most attractive booth. In the total point event, Platte was second with 68, Grundy third with 34 and Cass fourth with 33. County school programs were presented Monday morning in the Woman's Building, and in this event Platte was rated first, Crawford second, Pettis third and Moniteau fourth. Other counties that entered exhibits and placed in one or more events were Henry, Morgan, Randolph, Dunklin and Pemiscot.

In the elementary section Sedalia was first in most attractive booth and in total points scored; School of the Osage was second in these events. University City was third and Huntsville fourth in most attractive booth exhibits, and Huntsville was third and University City fourth in total points earned.

In the Negro schools section Hubbard of Sedalia was first in attractive booth arrangement, with various schools of Dunklin and Pemiscot Counties, entered by Mrs. R. A. Crawford, southeast area, second. In total points scored Sedalia was first with 25, Central of Hayti was second with 10, and Washington of Caruthersville was third with 9 points.

The ranking of the schools in the high school section for the most attractive booth was Smithton first, School of the Osage second, Sedalia third, and University City fourth. Best exhibit was won by School of the Osage with 86 points; Sedalia second with 33 points; University City third with 28, and Smithton fourth with 24 points. Roosevelt High of St. Louis placed first in the industrial arts events for schools with more than 500 students enrolled. In this event for schools with less than 500 students, School of the Osage was first, Smithton second and Sedalia third. Roosevelt also won the awards in machine and architectural drawings. In woodwork projects, School of the Osage was first, Smithton second and Sedalia third. School of the Osage was also the winner in general shop and general home economics events. Versailles was first and Golden City second in the vocational home economics competition. In the trades and industry events, Lead Belt Trade School of Bonne Terre was first and Dalton Trade School of Dalton was second.

The Educational Building, under the supervision of Cecil Jenkins and F. E. Wolverton of the Missouri State Department of Education, was filled to capacity with school exhibits, exhibits of various educational agencies and commercial concessions. A number of agencies concerned with various phases of health presented interesting exhibits. Among these were Division of Health, State Library, American Dental Association, American Cancer Society, State Nurses Association and the National Foundation of Infantile Paralysis.

The School Lunch Section of the State Department of Education maintained a booth during the entire Fair week, and presented literature and other exhibits explaining details of the school lunch program in this State.

Don't Be Satisfied With Symptomatic Relief! It's Now Possible To

RELIEVE THE CAUSE OF YOUR SICKNESS

Neuritis Pains, Stomach Disturbances, Indigestion, Gas, Heartburn, Constipation, Certain Nervous Disorders When Due to Lack of Vitamins B_1, B_2, Iron and Niacin in Your System!

HADACOL One of the Greatest Blessings of the Times!

Just a Few of Thousands Upon Thousands of Interesting Records of Folks With Such Deficiencies Who Have Been Helped

Mrs. C. C. Keller, 1629½ Frederick Avenue, St. Joseph, Missouri, says HADACOL really has put a stop to her neuritis pains. She was in a very bad condition with aches and pains and unable to sleep and was forced to give up her position as a practical nurse. She had severe pains in wrists and stiffness in her hips, being almost unable to walk. Now after taking one bottle of HADACOL, she is able to do her own housework. She most enthusiastically recommends HADACOL to all sufferers from neuritis pains.

Floyd Mabe, 1401A South 7th Street, St. Louis, Missouri: "For some time after a wartime injury I had been troubled with neuritis pains in my legs and could not work. Nothing seemed to help me until I tried HADACOL. After taking a half bottle, I seemed to feel better. My wife told me it was only my imagination, but I continued to take HADACOL and up to the present have taken 13 bottles. Now I feel fine with no more pains in my legs." (HADACOL is so effective because it relieves THE REAL CAUSE of neuritis aches when due to such deficiencies. Why don't you give HADACOL a chance to help you?)

Link Robinson (a steel worker for over 20 years), 519 Lindsey, Newport, Kentucky: "When your stomach is in bad shape as mine, couldn't eat, gas pains, stomach bloating and nervousness, then your body doesn't get the proper foods it needs. My boss told me about HADACOL and I started taking it immediately. After the second bottle I could tell a definite improvement. Now I can eat anything I want to. Best of all I haven't got those terrific gas pains and stomach bloating."

Mrs. John Geary, 840 Ursuline Street, New Orleans, Louisiana: "I had such a nervous stomach I was unable to eat regularly. Lots of times I was unable to hold any food on my stomach. Then I heard about HADACOL. After the first few bottles I could tell a definite improvement. Now my stomach doesn't trouble me at all. I eat anything I want. HADACOL is wonderful. You can see that, if it did so much for me after suffering so." (A big improvement is often noticed within a few days' time. One of the many advantages of HADACOL is that continued use helps prevent such stomach distress from returning. Don't continue to suffer. Start taking HADACOL *today!*)

Mrs. L. Crifasi, 327 N. 14th Street, Springfield, Illinois: "I am elated with the wonderful results obtained by taking HADACOL. I had emotional indigestion, which is stomach distress and makes a person feel down and out. HADACOL seemed to be prepared for my ailment, for it made a new woman of me."

W. E. Hoxworth, a skilled maintenance man in Waco, Texas: "I almost had to give up my job because of suffering from stomach distress. I couldn't hold my food, as no food agreed with me. After hearing about HADACOL and completing a second bottle, I began to feel better and regain the weight I lost, and suffered no more indigestion. I now take HADACOL regularly to help stay well." (Why don't *you* try HADACOL?)

Mrs. J. Scieszinski, 514 Kruger, Ottumwa, Iowa: "My daughter, Marilyn Sue, is five years old and for some time lacked pep, had a poor appetite, was generally run-down. Since giving her HADACOL, we have noticed wonderful results. She has a much better appetite, eats everything on the table and doesn't seem tired like she used to. Incidentally, she likes to take her HADACOL, too." (Kiddies sure do like HADACOL.)

Senator Dudley J. LeBlanc—the Man Responsible for the Great New HADACOL

Now! Thanks to the tireless efforts in scientific research of Senator Dudley J. LeBlanc—eminent statesman of Louisiana and creator of this great new HADACOL nutritional formula — it's at last possible to relieve the REAL CAUSE of such ailments as neuritis pains, stomach distress, gas pains, heartburn, indigestion, insomnia, certain nervous disorders and a general run-down condition due to lack of Vitamins B_1, B_2, Iron and Niacin.

Senator LeBlanc has just completed a modern $250,000 manufacturing plant and a similar one is well under way so that this wonderful HADACOL will always be available to the public.

What the Great HADACOL Does ...

No longer do you have to be satisfied with symptomatic relief—you can start *this very day*, and relieve the REAL CAUSE of such ailments with HADACOL. Get that *wonderful* HADACOL feeling everyone is talking about! A big improvement in the way you feel is often noticed in a few days.

And continued use of HADACOL helps prevent such ailments from coming back. Naturally, there's an explanation for this. You see, HADACOL not only feeds deficient, run-down systems with extra quantities of Vitamins B_1, B_2, Iron and Niacin but also helpful amounts of precious Calcium, Phosphorus and Manganese — elements so vital to help maintain good health and guard against such deficiency sickness.

Sold on Strict Money-Back Guarantee

Don't continue to suffer! Be fair to yourself — start taking HADACOL today. HADACOL is very inexpensive—costs only a small amount daily. And HADACOL *must* help you, or your money will be returned. Trial size, only $1.25 a bottle. Large family or hospital size, $3.50. Refuse any substitute. There's only one true and genuine HADACOL.

Social Events

The ladies' day bridge-luncheon was held Wednesday morning at the Sedalia Country club. There were three tables of bridge.

Out of town guests were: Miss Helen Wood of Springfield, and Miss Janet Fleming of Moberly, who are house guests of Mrs. Thelma Cook; Mrs. Jack Atkinson of Fulton, Mrs. Lee Gentry and Mrs. Lee Gentry, Jr., of Polo, Ill., who are guests of Mrs. D. P. Dyer.

The bridge parties for the month of September will be held on Wednesdays with 1:00 o'clock luncheons and bridge in the afternoons, Mrs. Charles Messerly, chairman for September, announced. Her co-chairman is Mrs. W. B. Rich.

The social committee has planned to have a "brunch" Monday, Labor day, at the Sedalia country club, from 10:00 o'clock that morning until 12:30 o'clock that afternoon.

Miss Elizabeth McLaughlin, with the American Red Cross, who has been stationed in San Francisco, then home for a month's vacation with her parents, Mr. and Mrs. E. H. McLaughlin and sister, Mrs. Cline Cain, left for the west coast to await further assignment, probably abroad.

Mr. Jerry Tomlinson, who resides nine miles east of Bunceton, observed his 80th birthday anniversary on August 24 and was honored with a dinner to which all contributed.

The afternoon was spent in taking pictures and conversation and Mr. Tomlinson made a short talk in appreciation of the dinner, gifts and cards.

Those present were: Mr. and Mrs. William Cooley and family, Judy and Jimmy, Mr. and Mrs. Jerry Ison and family, Cecelia Ann, Becky and Judy, and Don Baslee, all of Kansas City; Eugene Tomlinson, Miss Elizabeth Tomlinson, Mrs. Grace Hall and son, Robert; Mr. and Mrs. Oscar Schilb, Mr. and Mrs. James L. Cairer and Joyce Ann; Mrs. Thea Woolery, Mr. and Mrs. H. A. Carter; Mr. and Mrs. Clyde Waters, Mrs. Edna Ison, Mrs. Ralph Arnold, Misses Gladys and Virginia Tomlinson, A. A. Scarbrough and sons, Raymond and Roy and Carl Wayne Cobb, all of Sedalia; Velma and Eugene Tomlinson, of Bunceton, Mr. and Mrs. Arthur Odil and son, Bill, Mr. and Mrs. Lewis Baslee and family, Lee, Shirley, and Lloyd, of Boonville; Mr. and Mrs. Edgar Tomlinson, Mrs. Margaret Crain and family, Jimmy, Shirley and Marjorie, Mr. and Mrs. James Fry and children, Kay, Jerry David and Patsy of Tipton; Mr. and Mrs. Marvin Robertson, of Mora; George Class and family, Joe, Edith and William, of California; Mr. and Mrs. Hugh Parkhurst and family, Margaret and Joann, of Pilot Grove, Mr. and Mrs. Robert Cunningham, of Hughesville, Mr. and Mrs. LeRoy Estes, and Sue, of Kansas City, Kas., Misses Elta and Irene Tomlinson, of the home.

Mr. and Mrs. John Toler, of Kansas City and Fred Heysell were afternoon visitors.

Relatives and friends gathered at the home of Mr. and Mrs. John H. Wahlers of Stover, Monday evening in honor of Mr. Wahlers' birthday anniversary.

A contributive supper was served to the following: Mr. and Mrs. Alfred Mueller, Mr. and Mrs. John F. Wahlers and children, all of Stover; Mr. and Mrs. John Hays, Mr. and Mrs. Fred Wahlers, Mr. and Mrs. Harry Wahlers and children, Larry and Kathy Sue, Mr. and Mrs. Sherman Frederick and daughter, and Mrs. Frances Loges, all of Sedalia.

Mr. and Mrs. J. A. Pruitt, 1601 East Ninth street, entertained a number of guests at a surprise birthday dinner Tuesday night, honoring Mrs. Pruitt's mother, Mrs. Mayme Starke, whose birthday it was.

The following were present: Mr. and Mrs. Earl Momberg and daughter, Sandra, Mr. and Mrs. Bernie Sharper and Mr. and Mrs. Joe Monsees, all of Smithton; Mr. and Mrs. Ardee Bane, of Otterville; Mr. and Mrs. Kenneth Schilb and Kenny, Jr., Mrs. Mary Kelly, Don Patton, Mr. and Mrs. J. W. Starke and sons, Bob and John, Mr. and Mrs. James Starke and Mr. and Mrs. Pruitt.

Reunion After Youth Unheard From Many Years Located

Many years ago in Blackwater three little boys were left orphaned when their parents, Mr. and Mrs. Jim Long, died just two days apart, the father dying on Friday and the mother on the following Sunday.

Robert ten and William eight were reared in the Griffith home in Blackwater, but the baby, Joseph, who was just a year old, was taken by his grandparents. When Joe was eight years old he became dissatisfied in the home of his grandparents and ran off. From that time on Joe was on his own, he made his own way in the world, going from one place to another during the years, working for his food and clothing. He never went back to his grandparents and was completely lost from his two older brothers.

Then in 1916 William Long and his wife began to wonder if there wasn't some way they could locate that younger brother and they decided to put an ad in the Kansas City Star just in hopes he might still be near enough to Kansas City to read that paper. The ad caught the attention of a woman in Kansas City who knew a young girl in Elk City, Kas., who had a boy friend named Joseph Long.

The Kansas City woman clipped the ad and sent it to the girl with a note telling her that she knew she was going with a boy by that name who was an orphan, she thought it might just possibly be him.

That was the happiest day of that girl's life because she knew that the boy in the ad was her Joe and it meant that he would be reunited with the family.

Visit on Honeymoon

Joe, who was then 26 years old, lost no time in writing to his brother and a letter in return asked him if he was married. He wrote that he wasn't yet and from it his brother gathered that he expected to be married soon, so from Mr. and Mrs. William Long came the invitation for Joe and his bride to visit them on their honeymoon, which they did.

That was 34 years ago and now this week the three brothers and their wives are having a big reunion, the first time that the three families have all been together. The past week-end Mr. and Mrs. W. A. Long, of Painsville, O., and Mr. and Mrs. Joe Long, of Wyona, Okla., arrived to spend several days in the home of the third brother and his wife, Mr. and Mrs. R. R. Long, 3601 South Kentucky avenue, route 1. They will return to their homes Friday.

It has been a wonderful week for them all and among the many things they have done was to go to the Salt Fork cemetery to visit the graves of their mother and father, the first time Joseph had ever been to their graves.

Inquiry Received on Descendents of Peter Gerken

An inquiry has been received from Mrs. Willie Ziesemer, Route 1, Box 71, Rosenberg, Texas, seeking names and addresses of descendants of Peter Gerken, who seventy-five or more years ago owned a 320 acre farm on Big Richland creek about three miles northeast of Florence, Missouri.

Mrs. Ziesemer states her mother was a Gerken, daughter of Mrs. Herman Gerken, Bremen, Germany, where she married Henry Kueck and with him emigrated to the United States in 1894, settling in Washington county, Texas.

Any information about Peter's descendants will be appreciated by Mrs. Ziesemer, who can be reached at the above address, or if preferred, communicate with Nelson F. Gerken, Route 2, Sedalia, who will relay any data to Mrs. Ziesemer.

Storm Loses the Most of Punch

NEW ORLEANS, Aug. 30—(AP)—A freakish gulf hurricane that lost its punch as it swung inland last night east of Mobile, Ala., apparently caused little damage.

A tornado—believed an offshoot of the storm—seriously injured two persons and wrecked a dozen houses at Apalachicola, Fla.

Another hurricane grew in size and intensity in the Far Eastern Caribbean today. The weather bureau at San Juan, Puerto Rico, reported winds of hurricane force extending as much as 75 to 100 miles north and northeast of the new storm center.

The big wind was placed at a point about 210 miles east of Martinique in the West Indies.

A third hurricane shoved northward in the Atlantic about 500 miles east of Bermuda.

Winds as high as 115 miles-an-hour had been reported by the New Orleans weather bureau as the gulf tropical storm at first advanced toward the Mississippi-Alabama-northwest Florida coastline.

However the highest wind velocity reported on land was a Coast Guard estimate of 98 miles an hour at Santa Rosa island, an isolated sand spit with a Coast Guard station about five miles offshore from Pensacola, Fla.

But damage at the island was negligible, the Coast Guardsmen reported.

There was virtually no damage in Pensacola beyond small tree limbs which were snapped off. High tides washed out some beach property and wharves were damaged slightly when waters rose five and a half feet above normal.

Pensacola's power failed for more than eight hours.

Moorings of a two-masted fishing smack ripped loose while no one was aboard, but the crew was able to capture the wind-spanked vessel and make it fast again.

At Mobile, 1,050 persons were evacuated from Blakeley island across the Mobile river, and 380 from Bayou La Batre.

To Dedicate Six New Hospitals

WASHINGTON, Aug. 31—(AP)—The Veterans Administration said today it will open or dedicate six new hospitals with a total of 1,450 beds during September.

The agency said in a statement that the openings represent half of the 12 hospitals VA plans to open before the end of 1950. The remaining hospitals have a total of 2,075 beds.

At the request of the Defense department, VA recently halted admission of veterans to Army and Navy hospitals, except for emergencies. That means virtually all veteran patients must be treated in VA hospitals.

The September hospital "activations:"

Saginaw, Mich., 200 beds; Marlin, Texas, 200 beds; Grand Island, Neb., 200 beds; Spokane, Wash., 200 beds; Shreveport, La., 450 beds and Altoona, Pa., 200 beds.

Other hospitals VA plans to open before Dec. 31 include:

Little Rock, Ark., 500 beds, and Wilkes-Barre, Pa., 475 beds, both to open in October and Poplar Bluff, Mo., 200 beds.

Howard L. May Injures Finger In Bun Machine

Howard L. May, route 2, Sedalia, a baker at the Taystee bakery, who was injured Tuesday noon when the ring finger of his left hand was caught in the bun machine and cut off to the second joint, is getting along satisfactorily.

Dr. John Carlisle was called to the bakery following the accident and took May to the Bothwell hospital for x-ray and to take care of the injured finger. Mr. May will be a patient in the hospital for a few days more.

Fifty-five Perish in Crash of TWA Plane Near Cairo

(Continued From Page One)

the crash one of the most disastrous in world commercial aviation history. The heaviest death toll in American commercial aviation was exacted last June 24, when 58 persons died in a Northwest Airlines plane crash in Lake Michigan. The heaviest toll in commercial airline history was March 12 this year, when 80 persons died in the crash of a British transport near Cardiff, Wales.

Pilot Webb, 45 on Aug. 25, was a native of Philadelphia, husband of the former Marion Louise Glidden of Lawrence, Kans. His permanent address was listed as Alden, Pa. His wife and adopted son, John Robert Webb, were in Cairo with him when he was based there.

First Officer Hammitt, 34, a native of Baylis, Ill., is the husband of the former Gamona Bransan of Wichita, Kans. They have no children. The Hammitts' permanent address is Camdenton, Mo. He Calif. He joined TWA in 1937.

Flight Engineer House, 37, was born in Kansas City, Kas., and was married to the former Helen Marie Dressler, of that city. The family lives at Redondo Beach, Calif. He joined two in 1937.

Plod Through Sands

BIST EL ASHRAFF, Egypt, Aug. 31—(AP)—Searchers found the charred wreckage of the ill-fated TWA Constellation Star of Maryland, strewn over 500 yards on the fringe of the Western desert, after a 15-mile trek today over burning desert sands.

I walked 10 miles on foot, accompanied by Justie Gist, of the U.S. embassy, whose young son was aboard the plane bound for the United States to attend school.

A narrow guage railway which runs to a desert quarry took us the last five miles. Gist plodded silently through ankle deep sands. When he arrived at the scene—a scattered mass of burned and twisted and badly mangled bodies—he did not look for his son.

Sues Claming Loss Of Wife's Services

A suit for $10,000 damages has been filed in circuit court by A. Y. Rinard, northeast of Sedalia, against Mary A. Siegel, owner of the Sedalia Bus Co., because the loss of his wife's services due to an accident with one of the busses of the company.

Rinard in his petition stated he was driving his car on Ohio avenue and was passing a bus which pulled from the curb striking his car. He declared her condition was such because of her injuries that they will be permanent.

The accident was alleged to have occurred May 10, 1950.

Lamm, Barnett and Wolfe are the attorneys for the plantiff.

Fined For Careless Driving

Byron Barber, driver of a Sedalia Democrat truck which figured in an accident south of Cole Camp Junction on highway 65 and 52, last Sunday morning, pleaded guilty in Magistrate Court at Warsaw, and was fined $5.00 and costs for careless driving.

Reds in Korea Open New Attack After Lull at the Front

(Continued From Page One)

fantry division repulsed enemy attempts to cross the Naktong river.

Outside of Waegwan, 12 miles northwest of Taegu, U. S. 1st Cavalry division troops in small number missed capturing a 1,700-foot hill by 200 feet. They were repulsed by a small force of entrenched Reds.

Quiet In Extreme South

All was quiet on the extreme southern front. A patrol of the American 25th Infantry division moved 5,000 yards, better than two miles, behind Communist lines north of Haman without drawing a shot. Haman is 10 miles northwest of Masan, south coast port 27 airline miles west of Pusan, main Allied seaport on the southeastern Korean coast.

Even disputed "Battle Mountain" in that area, which has changed hands eight times in two weeks, was quiet.

North of Taegu 20,000 North Koreans were stalled in a drive on that central front railhead. South Korean troops held firm before concerted enemy thrusts.

On the other hand the building of United Nations manpower increased slowly. A small Australian infantry contingent was flown into Japan on its way to Korea Thursday. British troops, who arrived Tuesday, moved toward the frontlines.

Expect More Units

Units from Thailand and the Philippines were expected in Korea shortly and others from France and Belgium were promised soon.

General MacArthur's headquarters officers were frankly puzzled by the sudden lull in the fighting around bloody Pohang and other points.

One intelligence officer suggested "Maybe we are both sitting back in defensive positions waiting for the other fellow."

However, intelligence reports continued to tell of a three-division buildup opposite the U. S. 25th division on the southern front where an enemy offensive was expected.

AP correspondent Stan Swinton reported a general at the southern front put the uneasiness this way:

"He (the enemy) must be up to something . . . but what?"

All along that area U.S. and South Korean soldiers asked that same question Friday morning.

As the Tokyo generals puzzled over the lull in the 68-day old Korean war, it was revealed in the Japanese capital that Marshal Choi Yung Kun, 47, was in command of the Red Korean field army.

The marshal was identified as a man with extensive Communist political experience but lacking in military background.

The Reds were stopped within a mile and a half of Pohang Thursday by fire from U. S. tanks and warships.

In the air war 90 B-29s dumped a heavy load of bombs on North Korean targets. Lighter bombers and fighters hammered front positions.

At Kigye, nine miles northwest of Pohang, South Korean troops held their positions outside the Red-held town under a storm of artillery and small arms fire.

Take it to Truman Says Johnson

(Continued From Page One)

were aimed at "the administration generally" and are "part and parcel of the Democratic process."

Tauriello, in a letter dated Aug. 23, had demanded Johnson's immediate resignation because "you have lost your usefulness to the President and to the American people." Other congressmen have made similar complaints.

Tauriello charged Johnson with bungling the national defense job, making "brash statements" and of "consistently selling the idea that we could become strong through pinch-penny methods."

Tauriello marked the envelope containing his letter to Johnson "personal and confidential." The Buffalo Courier-Express, however, in the congressman's home town, published excerpts from it last Sunday.

Johnson in his reply defended his administration of the military establishment, quoting liberally from congressional leaders, Mr. Truman and Gen. Douglas MacArthur.

Johnson told Tauriello that Mr. Truman possesses "the good American quality of common sense in an outstanding degree," and is "fully capable of speaking for himself" as to whether Johnson's continuation in office embarrasses him.

Tauriello had cited as a "brash" statement one by Johnson that should an aggressor strike at 4 o'clock in the morning the U. S. would be ready to begin retaliation at 5 o'clock.

Johnson replied that the statement was "completely factual." He noted he had been speaking of the ability of the air force to counter a strategic bombing attack.

Johnson told Tauriello that during the period of what the congressman had criticized as penny-pinching administration, the actual combat strength of the armed forces had increased.

Replying to Tauriello's charge that the outbreak of war in Korea "found us totally and completely unprepared," Johnson quoted the President's July 19 message to congress that "It will take time, men and material to slow down the forces of aggression, bring those forces to a halt, and throw them back."

Dr. M. P. Shy Passes Away This Morning

(Continued From Page One)

committee of the latter organization.

Former Chief of Staff

For several years he was the chief of staff of the Bothwell hospital and was succeeded in this position last April by Dr. John B. Carlisle.

April 22, 1950 he was the honor guest of the Pettis County Medical Society, at a banquet honoring him for his fifty years in the medical profession.

Dr. Shy, other than practicing medicine and surgery had as his outside diversion breeding of registered Hereford cattle. He had one of the largest registered Hereford herds in the State of Missouri on his more than 1,000 acre farm northwest of La Monte in Hughesville township. In his leisure hours away from his practice he visited his farm and took an active interest in this hobby.

Held Big Sale

In April 1948, Dr. Shy held a dispersing sale of his herd and breeders from throughout the country of that type of cattle were attracted to his farm. At the time it was said by other breeders of the cattle it was one of the largest sales ever held in Missouri.

He was a member of the Missouri and American Hereford Breeder's Associations. Also of the Pettis County Farm Bureau.

Even after he gave up his practice he spent considerable time at his farm.

Dr. Shy was married to Mrs. Mary Mitchell, November 29, 1920 at Marshall. They had no children.

Surviving him besides his widow of 1023 West Seventh street, are four sisters Mrs. J. M. Kendrick, Knob Noster, Mrs. S. W. Anderson, Little Rock, Arkansas, Mrs. D. O. Monsees, Corpus Christi, Texas, and Mrs. H. C. Schaefer, of rural route two, Sedalia.

He was preceeded in death by his father in 1910 and his mother in 1938. A sister Mrs. C. M. Decker, San Antonio, Texas, died several years ago and his brother, Dr. Emory Shy, died October 26, 1925.

Several nieces and nephews also survive.

He was a member of the Methodist church at Otterville.

Dr. Shy was a member of the Sedalia Lodge A. F. & A. M. No. 236, Sedalia Chapter No. 18, R.A.M., St. Omer Commandery No. 11, Knights Templar, Scottish Rite body, the Ararat Temple of Shrine, at Kansas City.

He was also a Spanish American War veteran.

His body was taken to the McLaughlin chapel, and this afternoon to the family home on West Seventh street, where it will remain until time for the funeral.

Funeral services will be held at the family home at 4:00 o'clock Saturday afternoon. Rev. H. U. Campbell, pastor of the Fifth Street Methodist church officiating.

Interment will be in the family lot in Crown Hill cemetery.

Rangers Start Cohen on Way

FORT WORTH, Aug. 31.—(AP)—Texas rangers escorted gambler Mickey Cohen onto a California-bound plane today.

The Rangers' Chief said the west coast underworld character had planned to set up a "gambling and racketeering empire" in Texas.

The rangers arrested the short, dapper gambler early today in Wichita Falls in north Texas. They roused him out of his hotel room and made reservations for his westward flight.

Homer Garrison, Jr., state police director, said at Austin that Rangers arrested and questioned Cohen on reports he came to Texas to set up a "gambling and racketeering empire."

"After the questioning, he apparently decided the Texas atmosphere was not good for him," said Garrison.

Change In Residence

Mr. and Mrs. Howard L. May, and son, who have been residing on route 2, Sedalia, moved today to Twentieth street and Limit avenue today.

Interment will be in the Calvary cemetery.

Veto is Upheld On Postal Pay

WASHINGTON, Aug. 31—(AP)—The Senate today upheld President Truman's veto of a bill to grant pay increases to World War II veterans in the postal field service.

The vote was 48 to override to 29 to sustain the veto. Two thirds was needed to override.

The House previously had voted 213 to 72 to override the veto.

The bill, for purposes of promotion and salary, would have granted about 100,000 veterans, who entered the postal field service after the war and up to July 1 last, full credit for such military service.

This would have meant pay increases of $100 for each year of military service on a prorata basis.

Postmaster Nomination

WASHINGTON, Aug. 31—(AP)—President Truman has sent to the Senate three postmaster nominations for Missouri:

John W. Freeman, Eminence, to succeed the late A. A. Lewis, and Joseph S. Ford, Eugene, to succeed W. O. Morris, transferred.

Charges Weights Were Falsified

KANSAS CITY, Aug. 31—(AP)—Five former weighmasters at the Kansas City stockyards were named today in indictments returned by a federal grand jury.

They were accused of acting in a false weight conspiracy under which they allegedly received money from dealers to falsify weights.

Nineteen dealers at the stockyards were suspended from trading early this year for periods ranging from six months to a year. All the dealers operated in the buying and selling of slaughter cattle on a speculative basis.

Those indicted today were Bart Fay, Kansas City, 42 counts falsifying weights and causing false entries in the weight books of the stockyards company; Cecil Cox, Merriam, 33, similar counts; Culver Jordan, Kansas City, 24 counts; Frank Clark, Johnson county, Kas., 23 counts, and Bruno Ising, Kansas City, 35 counts.

If convicted their penalties could bring five years in prison and $1,000 fines, or both.

At the time of the suspension of the 19 dealers the Department of Agriculture said the false weights averaged approximately 20 pounds underweight when one of the accused dealers bought an animal and about 20 pound overweight when he sold it.

Persons named in an indictment returnable at St. Joseph, included four prisoners who walked away from the honor farm of the federal prison at Leavenworth. They were David W. Rhoden, Ray H. Travis, Jack B. Long and Jerry E. Witter.

Indictments to be returned at Springfield named five men. Ray Gault was accused of transporting a 15-year old girl from Idaho to Springfield for immoral purposes.

The other four, Cecil Combs, Ben Thompson, Abe C. Flinchum and Verlin Leon Haslip, were charged with violating internal revenue regulations in connection with the sale of liquor without proper tax stamps.

Indictments returnable at Joplin named Richard Hilmer Neel and James Elvis Riddle, both charged with Dyer act violations.

Parade Given Mayor O'Dwyer

NEW YORK, Aug. 31—(AP)—New York City said farewell to Mayor William O'Dwyer today with a parade that brought memories of the gala processions given returning heroes.

Seven bands and 5,000 city employes marched up Broadway to city hall in tribute to the Irish immigrant boy who rose to the city's highest office. An estimated 200,000 persons lined Broadway and City Hall plaza.

The pipe-smoking former policeman intends to submit his resignation Saturday to become ambassador to Mexico.

But he and his wife are leaving by train tonight for the El Centro, Calif., ranch of his brother, Frank.

Ford To Build An Assembly Plant

KANSAS CITY, Aug. 31—(AP)—The Ford Motor Company yesterday announced plans to build an assembly plant employing about 3,000 workers northeast of Kansas City in Clay county, Mo.

The announcement, made by Ford division officials at Dearborn, Mich., and Kansas City, made no estimates of the value of the proposed plant. Unofficial estimates, however, said it would cost between $25,000,000 and $30,000,000.

Tanks Edge Up Single File

A Warm Afternoon In A Korean Valley With Bullets And Blood

By Tom Lambert

WITH U.S. FORCES IN SOUTH KOREA, Aug. 31—(AP)—The road lay warm and yellow in the mid-afternoon sun, winding alongside rich green rice paddies on the floor of the valley.

On the sandy ridges above the valley were the Reds.

American tanks and infantry began moving at 4 p. m., flanked by South Korean allies, to clear the hills.

In single file the tanks edged along the road, with "Belle Starr" commanded by Staff Sgt. Ernest W. Belcher of Hazy, W. Va., in the lead.

Pershing Single Column

"Belle Starr" is a Pershing tank, 46 tons of steel with a 90 mm gun. The other Pershings, "Bama Belle," "Bucket O'Bolts" and "Bewildered" followed.

The GI's commanded by Second Lt. Henry E. Davis, Los Angeles, stalked warily along the flanks of the steel monsters or edged gingerly up the slopes of the ridges.

The tanks' machineguns hammered harshly at a few Reds who fled their approach, or at targets pointed out by the tense doughboys.

"Belle Starr" had just rounded a twist in the road when the Reds reacted first. There was a ripping burst of machine gun fire and a lieutenant and two men on the slopes staggered, slumped and fell. The tanks and the soldiers halted.

While angry eyes scanned the hillside and the shallow ravines which scarred them, soldiers slid cursing down the shale slope carrying the wounded men.

Wounded On Litters

The wounded were placed on litters and laid on a tank, alongside the turret, under the big gun which swung menacingly toward the hills.

The fire and the blood halted the action, except for quick sniping shots by GI's and the occasional hasty stuttering rat tat tat of a Red burp gun.

Then the Marines flew in, four of them in Corsair fighters, laden with bullets rockets and napalm bombs of jellied gasoline.

They circled the area once, carefully, then for approximately 20 minutes lashed viciously at the Reds.

On the hills and in the valley the tankers and GI's still tense, talked about the first lap of the fight for the hill.

Malik Gives Dinner Party For Delegates

The Day Was Full Of Russian Charges On Chinese Bombing

LAKE SUCCESS, Aug. 31—(AP)—Russia sought Wed. to add two new questions, including a Red China charge that American planes had dropped bombs on Manchuria, to the crowded calendar of the United Nations Security Council.

The second question, advanced on the eve of Soviet delegate Jakob A. Malik's retirement as Council president, was a revival of the old Greek-Balkan dispute under the new title of "the unceasing terrorism and mass executions in Greece."

Circulated Proposal

The Soviet move was disclosed when Malik circulated his proposed agenda for tomorrow's Council meeting (2 p. m., EST). The two new items were tacked on behind two other questions already approved by the delegates for debate—the Korean question and Red China's charges of American aggression against Formosa.

The New China News agency said in a broadcast from Peiping tonight that Communist China's foreign minister, Chou En-Lai, had sent a second cable to Malik charging that American planes had violated the Manchurian borders yesterday for the second time and killed and wounded a "number of Chinese people."

Malik entertained his fellow Council delegates tonight at a dinner at the Waldorf-Astoria—to mark the end of his month term as president of the United Nations Security Council. Retiring presidents customarily give such parties.

Tsiang Absent

All Council delegates except Nationalist China's T. F. Tsiang attended. Tsiang wasn't asked just as Tsiang didn't ask Malik when he gave a dinner last January.

The party was in the red-carpeted, mirror - paneled Jensen room. Hotel officials said it cost $250.

Detectives in evening clothes guarded the lobby and the corridor outside the dining room. Their chief responsibility was to carry out Malik's orders that no pictures be taken.

One lone woman, who refused to give her name, picketed the entrance carrying an American flag and a sign reading:

"No decent American would eat with Malik."

The only Americans invited to the dinner, ambassador and Mrs. Warren R. Austin, didn't have to pass the picket as they live in a Waldorf towers apartment.

The maternal grandmother of Charles Curtis, former U. S. vice-president, was half French and half Kaw Indian.

Corn was grown in China long before it was grown by English settlers at Jamestown, Va.

Cardinals Drop Game By But A Single Run

Barely Above Second Division In The Standings

By The Associated Press

The proud St. Louis Cardinals, who have finished no worse than second for nine years, are in danger of winding up in the second division this season. That has happened only three times in the last quarter-century.

Two defeats at the hands of the hustling Philadelphia Phils leave the Cards only half a game in front of the fifth-place New York Giants. For the benefit of those still keeping track of such figures, the Cardinals now are eleven and a half games out of first.

At Sportsman's Park last night it was another case of the Redbirds dropping a one-run decision in the final inning. The league-leading Phils nipped them 9-8 with pinch batter Dick Whitman doubling home two runs with the bases loaded and deciding run counting on a long fly.

The Cardinals went ahead in the eighth inning on a triple by Red Schoendienst, his third hit of the night. The hit came while relief ace Jim Konstanty was pitching. Konstanty was was credited with the victory, but he wasn't around at the finish.

Starters Max Lanier of the Cardinals and Ken Johnson of the Phils both failed as the contest developed into a slugfest. The Cards used five pitchers, the Phils six.

Heavy rains before game time held the crowd to 17,232, but this did not prevent Cardinal home attendence from passing the million mark for the fourth straight year.

The Browns climbed out of the American League basement with 2-1 and 7-6 triumphs over the Philadelphia Athletics, dropping them into last place. The Browns played errorless ball in the opener, for the first time in eight games, and Ned Garver bested Alex Kellner in a pitchers' duel.

The Browns made five errors in the second game, which went ten innings. Hank Arft, who made one of the costly miscues, redeemed himself by driving in Roy Sievers with the deciding run.

Earth Shakers at Work around Second

The sequence camera shows the collision between Cleveland shortstop Ray Boone (8) and Yankees third baseman Billy Johnson during a force play in the second inning of a rain-cancelled nightcap of a doubleheader at Yankee Stadium. The play started when second sacker Joe Gordon (4) fielded Gerry Coleman's bounder and tossed to Boone. Umpire is Bill Summers. The Yanks won the opener, 6 to 5, in ten innings, and the second game was called at the end of two and a half innings because of rain. (AP WIREPHOTO)

But Three Are Undefeated

WICHITA, Kas., Aug. 31—(AP)—Only three teams remained undefeated in the National Semipro Baseball Tournament.

The Elk City, Okla., Elks kept their record unblemished last night by whipping the Quantico, Va., Marines, 5-2. It was the Marines' first defeat.

The other clubs with spotless records in the double-elimination tournament are the St. Joseph, Mich., Auscos and the Alpine, Tex., Cowboys.

St. Joseph and Apline will play tonight in a fourth-round game.

In other games yesterday the Sinton, Tex., Oilers eliminated the Worlond, Wyo., Cowboys 6-0, and Huntsville, Ala., ousted Weiser, Idaho, 5-3.

In the Sinton-Worland game, Sinton's Pat Huber hurled the first 9-inning no-hitter in 16 years of National Tournament history. Hubert is a 23-year-old Texas college student.

Several five and seven-inninng no-hit games have been hurled, including one by Ed Correa of Honolulu in this year's tournament.

Today's schedule (times central standard):

3 p. m.—Rosboro, N. C., Blues vs. Sinton (fourth round, loser eliminated).

5:45 p. m.—Santa Maria, Calif., vs. Huntsville, Ala., (fourth round, loser eliminated).

8 p. m.—St. Joseph, Mich., vs. Alpine, Tex.

10 p. m.—Casa Grande, Ariz., vs. Honolulu, Hawaii (fourth round, loser eliminated).

Windsor Grid Squad Practice

The Windsor high school football team is shaping up, and twenty-two candidates have been going through their paces since August 15. It is the second season for the Greyhounds on the gridiron, Windsor taking to the gridiron sport for the first time in 1949.

Among the candidates are eight lettermen including ends Carl Gregory and Henry Smart; tackles Jule Wall and Clarence Dove; guards Wardie North and Jack Reynolds; and halfbacks Bob Nichols and Dale Adair.

Once again the squad lacks depth and size, but is more experienced than last year's aggregation. Down the middle the gold and black was hard hit by graduation losing their center, quarterback, and full-back. Adair and Nichols will handle the quarterback slot with the former getting the first call. Two promising sophomores, LeRoy Hunt and Bob Thomas will get the call at full-back and center respectively. Reserve half Keith Ellis will handle the left half spot with Nichols at right half.

Two hour work-outs have been held every day in preparation for the season's opener with Appleton City, Friday, Sept. 15 on the Greyhound field.

Iowa Horseshoe Title to Winston

LaMonte's Earl A. Winston, 23, horseshoe champion pitcher, pitched himself into the Iowa State Fair Grand championship last Tuesday, after first winning the Farmers division. Then he defeated the champions of the Open and Boys division.

Winston went to Des Moines, Iowa, last Sunday, and on Monday placed seventh in the qualifying rounds. Twelve high-point men were eligible, their scores being based on pitching 100 shoes.

In the Farmers division, Winston won all eleven of his games for that title. In the playoffs for the Grand championship, the three title holders played three game series with the LaMonte hurler winning his first and third games.

For winning the Farmers division he was awarded a gold medal and $25.00 in cash and for the Grand championship a large trophy which is being engraved and will be sent to him.

Baugh In Power To Win For Redskins

DALLAS, Tex., Aug. 31—(AP)—Sammy Baugh, Washington's passing ace, came off the bench to power a last quarter drive that gave the Redskins a 28-24 National pro football league exhibition victory over Detroit last night.

A crowd of 50,000 turned out for the game in the cotton bowl, mostly to watch a bunch of Texans on both teams.

Doak Walker, Southern Methodist university's former three-time All-America, shot Detroit into the lead late in the game with a field goal.

Big Seven Works For Openers

KANSAS CITY, Aug. 31—(AP)—Big Seven football squads are wasting little time in swinging into strenuous preparations for season openers.

Practice began only yesterday at most conference schools but it wasn't an easy day for the gridmen.

At Missouri rain washed out a scheduled picture-taking session, so Coach Don Faurot had his men work on blocking and running plays.

The Oklahoma Sooners spent two hours and 35 minutes on the field hitting dummies and running plays. Sixty-three men turned out. Two-a-day practices were planned starting today.

Kansas University even had a 10-minute scrimmage on the first day, although most of the workout was devoted to passing and running plays. Sixty-five candidates showed up.

At Iowa State, Coach Abe Stuber said he planned to start scrimmaging before the week is out. The sixty-two squadmen worked on running plays after going through the opening day picture-taking routine.

Nebraska's Cornhuskers worked out at Curtis, Nebr. The squad was split into offensive and defensive sections. Coach Bill Glassford expressed pleasure over the way the Huskers operated.

Contact work began yesterday at Kansas State also. Coach Ralph Graham said the first scrimmage probably would be held Friday or Saturday.

Initial practice began today for the Colorado Buffs. The squad includes 17 veterans. Coach Dallas Ward's biggest problem is to develop strength at the guard positions and find a strong backfield combination.

Brookfield Plays Here On Sunday

MOBERLY, Mo., Aug. 31—(AP)—Brookfield and Sedalia will open a best four games out of seven series for the Central Missouri Ban Johnson league baseball championship Sunday afternoon at Sedalia.

Plans for the playoff, between the league's northern and southern division pennant winners, were announced by President V. W. Meinert, Boonville.

Meinert said two games will be played at Sedalia, three at Brookfield and two more at Sedalia, should the series go seven games.

Afternoon games are scheduled Sunday, Sept. 3 and Monday, Sept. 4 at Sedalia. The series is to resume Wednesday night at Brookfield with games Thursday night and Friday night, if necessary.

If sixth and seventh games are required to decide the title, they will be played Sunday afternoon and night, at Sedalia.

Brookfield won the northern division flag while Sedalia claimed southern division honors.

Popular Books At Library On Biographies

Among the new books added this week to the Sedalia public library's collection are a number of currently popular biographies.

John Gunther's "Roosevelt in Retrospect," which is attracting much comment, follows the author's established pattern of reporting, and brings together more Rooseveltiana than any other biography yet written.

The reading of "John Adams and the American Revolution" by Catherine Bowen, may be considered a re-education in Americanism. A well-researched piece of writing, it dramatically re-creates both the man and the period.

"I Hear You Calling Me" is the story of the famous tenor, John McCormack, told by his wife. "The Little Princesses," is an intimate biography of England's Elizabeth and Margaret Rose, by their governess, Marion Crawford. Completing the list of biographies added, are: "Doctors Courageous," by Edward Hume; "The Story of Ernie Pyle," by Lee Miller; and "Baseball's Greatest Hitters," by Tom Meany.

Also ready for circulation are the following books:

FINE ARTS: "The Dance, in Story and Pictures," Martin; "Music as a Hobby," Newman; "Art and Life in America," Larkin; "The Pianist's Problems," Barton.

HISTORY AND TRAVEL: "The Age of Indiscretion," Davis; "Decision in Germany," Clay; "Sweden, Model for a World," Strode; "100 Years of Baseball," Lee; "Here's England," McKenney.

HOBBIES: "Principles and Practices of Photography," Neblette; "Writing Your Poem," Zillman; "Radio Amateur's Handbook," Collins; "Practical Book of American Silver," Wenham.

Miscellaneous: "Courtroom," Reynolds; "How to Stop Killing Yourself," Steincrohn; "These Are Your Children," Jenkins; "How I Raised Myself from Failure to Success in Selling," Bettger; "War or Peace," Dulles; "Families of America," Perry; "Foreman's Handbook," Heyel; "Jet Aircraft Simplified," Chapel.

Any of the books listed will be reserved for persons requesting such service. Telephone: 1314. Hours: 11 a.m. to 9 p.m. Monday through Friday; 10 a.m. to 6 p.m. Saturday. Beginning September 10, the reading room will be open on Sunday afternoons from 2 to 5 o'clock.

Two Women Killed In Auto Collision

PIGGOTT, Ark., Aug. 31—(AP)—Two women were killed when their automobile collided with a Cotton Belt freight train at a crossing here late Wednesday.

The victims were Mrs. Frances Jarnigan, 30, who died instantly, and the automobile driver, Miss Ruth Taylor, 28, who died within a few hours.

Mrs. Jarnigan was a nurse at Piggott hospital, where Miss Taylor also was employed. The two were on their way home from the hospital when the accident occurred.

Mrs. Jarnigan was the daughter of Dr. and Mrs. D. C. Martin of Piggott. A small daughter also survives.

Miss Taylor was the daughter of Mr. and Mrs. M. E. Taylor of Piggott.

Important Changes in Your Federal Social Security Benefits

You will receive more money. The new Federal Social Security law entitles you to larger monthly insurance benefits starting with the check you will receive early in October.

You need take no action—Your increase will come automatically.

You will be able to earn more money in employment covered by Social Security and still receive your benefit checks. Beginning September 1, 1950, you may earn as much as $50.00 a month, instead of the present $14.99. If you are 75 or over, you may earn any amount.

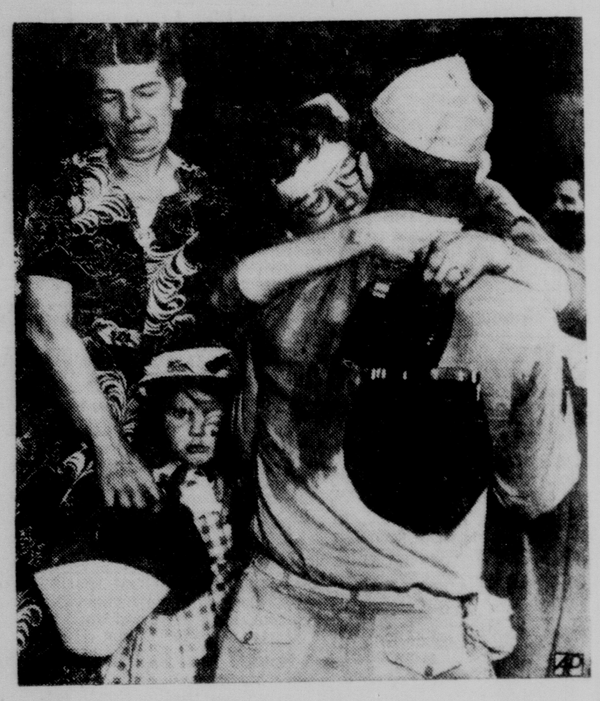

Please do not inquire at your local Social Security office. Our offices must increase millions of payments for Old-Age and Survivors Insurance. If in October your check shows no increase, the delay will be temporary—a later check will make up the difference.

RELIEVE THE REAL CAUSE OF YOUR STOMACH DISTRESS—

Indigestion, Gas Pains, Heartburn, Bloating when Due to Vitamin B_1, B_2, Iron and Niacin Deficiencies

ONE OF THE GREATEST BLESSINGS OF THE TIMES!

Here is some wonderful news for you folks who suffer so from stomach disturbances (indigestion, gas, heartburn, sour 'risings' in your throat after meals) because your system lacks the important Vitamins B_1, B_2, Iron and Niacin.

Now—thanks to the great new HADACOL — you can actually relieve the REAL CAUSE of such stomach disturbances caused by these deficiencies. A marked improvement is often noticed within a few days' time. And *continued use* of HADACOL not only gives *continuous, complete* relief but helps prevent such distress from coming back. That's the kind of product you want — the kind you should buy — the kind you should start taking *immediately*.

Anyone would be very foolish indeed to be satisfied with symptomatic relief, when HADACOL now makes it possible to relieve the *very cause* of this stomach distress due to such deficiencies — know the joy of eating the foods you like without belching and suffering gas pains, heartburn and torturing indigestion afterwards!

How HADACOL Works . . .

HADACOL not only supplies weak, run-down, deficient systems with extra quantities of Vitamins B_1, B_2, Iron and Niacin but also beneficial amounts of precious Calcium, Phosphorus and Manganese—so vital to help maintain good health.

And these vitamins and minerals come in *special liquid form* so that they can be more easily and quickly absorbed and assimilated in the blood—ready to go right to work at once. HADACOL even reinforces your red blood cells (where iron is needed) to carry these healthful elements to every organ in your body — to the kidneys, lungs, liver and heart—even to the nails, eyes and hair.

Start taking HADACOL at once. HADACOL costs only a small amount a day. Trial-size bottle, $1.19 Large family or hospital size, $3.39

Just a Few of Thousands of Folks With Such Deficiencies Who Have Been Helped!

Alton E. Brazile,* 905 Blythe Street, Memphis, Tennessee, wants our readers to know: "I've been bothered with my stomach; I went on diets which made me very weak. I tried everything and spent hundreds of dollars to no avail until I tried HADACOL. My stomach quit bothering me after the second bottle. I have a better appetite and feel fine. Thanks to HADACOL."

Pretty Mrs. Alma Kincaid,* 2125 East Adelaide Street, St. Louis, Missouri, told us this: "I want you to know how much better I feel since I've taken HADACOL. I've had stomach distress for quite a while. But nothing did me any good. They just said I had a nervous stomach. This is my second bottle of HADACOL and I really feel fine. I'm not nervous; I never feel tired. I can eat anything I want to."

J. Strivacka,* Route 2, Box 88, Burton, Texas, sent us this letter: "I've suffered from stomach gas and bloating for some time. I had no pep in the morning, felt sick. But with the first bottle of HADACOL I felt much better. With the second bottle I felt still better. Coated tongue is gone. I never felt as good. Thanks to HADACOL."

Mrs. I. E. Nelvis, Sr.,* 2622-A St. Vincent Avenue, St. Louis, Missouri: "I could hardly eat anything at all that did not hurt my stomach. Now I eat anything I want and it doesn't hurt me. I can't praise HADACOL enough and have recommended it to all my friends and neighbors. I feel much better since I have been taking HADACOL."

Mrs. Alton C. Stotesberry,* Monroe St., Plymouth, North Carolina: "I am 33 year old. I have suffered distress from my stomach off and on for quite some time. I had to almost give up and stay in bed. Nothing has helped me like HADACOL. I have just taken it for two weeks. I have gotten wonderful relief. I think HADACOL is wonderful. My husband is 41 years old. He started taking HADACOL today; I am going to start giving it to my children.

Marcus Matthews,* Route 1, Vanzant, Kentucky: "I had been bothered with my stomach. Everything I ate disagreed with me. But after taking 3 bottles of HADACOL I can eat anything and feel fine at all times. I don't have to take any more soda after each meal. I can recommend HADACOL for your stomach."

I'm not nervous; I never feel tired. I can eat anything I want to."

J. Strivacka,* Route 2, Box 88, Burton, Texas, sent us this letter: "I've suffered from stomach gas and bloating for some time. I had no pep in the morning, felt sick. But with the first bottle of HADACOL I felt much better. With the second bottle I felt still better. Coated tongue is gone. I never felt as good. Thanks to HADACOL."

Mrs. I. E. Nelvis, Sr.,* 2622-A St. Vincent Avenue, St. Louis, Missouri: "I could hardly eat anything at all that did not hurt my stomach. Now I eat anything I want and it doesn't hurt me. I can't praise HADACOL enough and have recommended it to all my friends and neighbors. I feel much better since I have been taking HADACOL."

Mrs. Alton C. Stotesberry,* Monroe St., Plymouth, North Carolina: "I am 33 year old. I have suffered distress from my stomach off and on for quite some time. I had to almost give up and stay in bed. Nothing has helped me like HADACOL. I have just taken it for two weeks. I have gotten wonderful relief. I think HADACOL is wonderful. My husband is 41 years old. He started taking HADACOL today; I am going to start giving it to my children.

Marcus Matthews,* Route 1, Vanzant, Kentucky: "I had been bothered with my stomach. Everything I ate disagreed with me. But after taking 3 bottles of HADACOL I can eat anything and feel fine at all times. I don't have to take any more soda after each meal. I can recommend HADACOL for your stomach."

Korea-Bound British Troops Leave Hong Kong

Troops of the Middlesex Regiment board the carrier Unicorn at Hong Kong, Aug. 25, as part of Britain's "K-Force," enroute to the Korean battlefront. A spokesman for the British force said the troops had been training for a year in terrain similar to that of Korea. (AP Wirephoto)

The Driver Walked Away

This high-powered racing car went into a spin on a turn during a race at the Iowa State fair at Desmoines, and bounced crazily, end over end. The driver, "Tiny" Wainwright, 32, of Kansas City, was thrown clear. He jumped the fence to avoid being hit by other racers. Wainwright was taken to the fairgrounds hospital, but attendants reported he was only shaken up. (AP Wirephoto)

GI's In Korea Are Heroes to The Children

KOREA—The American army GI has shown little interest in learningjust what kind of people the Koreans are, although he has developed a great respect for their ability as soldiers.

But slowly the Korean children are winning him over. I suppose it is their plight that has touched him. At first they were as strange and furtive as their parents, peeking out fearfully from their crude mud-walled huts when the troops rolled by. Then they learned to wave and salute and say "'ello," and now it is a great game for them to stand in the dust saluting and yelling "'ello, 'ello, 'ello," like little birds that have only two notes in their song.

They are happy, handsome children—those in good health—and as courteous and polite as the children of France. But many have legs and arms covered with sores, and heads so patched with disease the hair looks as if it had been burned out by red hot quarters held against the skull.

As the war goes on, more lost and homeless children, paying the price of a war they don't understand, drift into the cities and beg on the streets. It hurts your heart to see these tiny ragamuffins stretched sleepily all alone on a filthy path.

The children know that the troops generally get their rations in the evening. They gather at dusk near the billets, patiently expectant. The boys are now bold enough to say "'ello, gum?" But the little girls hang shly back. Only five or six years old themselves, they usually clasp on their back a sleeping baby whose shock of stiffly standing uncut black hair makes it look like a kingfisher.

The children bring gifts of apples in their hands. And it is a tough GI indeed who doesn't shower down with his candy and chewing gum then. Many a soldier saves these tidbits for the appearance of a particular child he has picked out as his personal mascot and given a nickname like "smallbore" or "little jughead."

Perhaps as they get to know these children better the troops may learn the people here are not so different from him as the thinks. No land and no people can remain pretty in a civil war.

It is slowly becoming the prisoner of the children of Korea.

In every country in which the GI has fought he usually makes fast friends of the kids first. To them he is a military croesus with endless stores of chewing gum, chocolate bars and candy mints. And few could withstand these magic bribes lavishly dealt out.

They made the GI the hero of childhood from Calcutta to Casablanca in the last world war.

It wasn't altogether generosity on the part of the GI, although he was and is notoriously softhearted to children. But he learned quickly that through the kids he could win his way into favor with their families — generally families with pretty daughters.

And before long GI Joe was a one-man post exchange. He gave his gum to the kids, his bag of laundry soap to their mamma, his cigaret ration to their papa. And all he had left to give the pretty daughter was a chocolate bar and conversation. However, this often seemed satisfactory. The happy system of introduction was so well understood in London that when a small boy called "Got any gum, chum?" the soldier joked back, "Got a sister, mister?"

But the formula hasn't gone so far in Korea. A few have found either temporary or permanent girl friends and most have taken no part in the life of the country.

Anxious To Leave

The frank truth is that most Yanks came here to do a disagreeable duty that has taken them longer than they hoped and they want to leave as soon as it is done. There are fewer comforts in Korea than in Japan and life generally is on a lower level. The

Reunion at Bishop Home on Sunday

Descendants of the late J. D. and Bettie McCullock Bishop met at the home of Mr. and Mrs. W. J. Bishop, north of Tipton, on Sunday, August 27, for their annual family reunion.

The seven living children were all present, Mrs. Lora Arnold, Mrs. Bertha Glenn, Mrs. Margaret Oswald, Mrs. R. E. Bishop, W. J. Bishop and Everett Bishop.

The basket dinner was served at noon in the basement of the new home.

The afternoon was spent in visiting and taking pictures. Fifty members of the family were present. Mrs. Joe Arnold, Mr. and Mrs. Estil Beaman, Misses Mary Ann and Alberta Arnold, of Beaman; Mr. and Mrs. R. E. Bisnop, Mr. and Mrs. John Peterman and daughters, Mr. and Mrs. Allen Oswald and son, of Sedalia, Mrs. Bertha Glenn and son, John, Mr. and Mrs. George Oswald, Mr. and Mrs. Elmer Oswald and sons, Mr. and Mrs. Asa Bishop and Mrs. Harry Meyer, Jr., and son, of Otterville; Mr. and Mrs. Everett Bishop, of St. Joseph, Mr. and Mrs. Lloyd Whitsitt and son, of Kansas City, Mr. and Mrs. A. L. Bishop and son, of Napoleon, Mr. and Mrs. Alvin Linhardt, of Tipton, Mr. and Mrs. W. J. Bishop and son, Mr and Mrs. F. W. Bishop and sons, Mr. and Mrs. Ernest Nelson and daughters and Mrs. John Bell of Bunceton.

Add two tablespoons of vinegar and a teaspoon of sugar, as well as a dash of paprika, to evaporated milk, use this dressing over shredded green cabbage.

Too Much Military Encroachment On Civilian Government

By Drew Pearson

WASHINGTON — Inside fact about the White House crackdowns on Secretary of the Navy Matthews and General MacArthur is that the administration had been waiting for a chance to knock down the increasing eagerness of the military to encroach on the civilian branches of government.

A lot of things have been going on which the public doesn't know about, all pointing toward more and more military rule. One was the quiet attempt by Secretary of Defense Johnson to keep Guam under the military when it was supposed to go under a civilian governor July 1. Another is the navy's attempt to hold on to the "trust islands" of the Pacific. Another has been General MacArthur's repeated attempts to dictate foreign policy.

Another flagrant intervention of the military into foreign policy was when eleven generals secretly went up to Congress and urged a $100,000,000 loan to dictator Franco of Spain —despite the fact that their commander-in-chief in the White House had ruled against such a loan.

President Truman was icy cool with his secretary of defense when he heard of this. Unsmiling, he turned to Louey Johnson in cabinet meeting and snapped: "And I don't want any more trips by you or your generals to Congress regarding a loan to Franco."

Generals Want War

The two public crackdowns were aimed directly at MacArthur, and indirectly at Johnson through his secretary of the navy. Actually, Secretary Matthews is a sincere, idealistic, lovable person. The top lay Catholic in the United States, and neither the State Department nor the White House wanted to hit him personally.

However, the statement by a cabinet officer in favor of a preventive war, it was decided, had to be disavowed publicly. For it played directly into the hands of European propagandists, already partly successful in branding us as warmongers.

Another reason for the crackdown was that General Orvil Anderson, commander of the Air War College, at Maxwell Air Base, Montgomery, Ala., has been staging a series of lectures in which a preventive war is urged openly.

One of the distinguished speakers at the Air War College has been Father Edmund Walsh of Georgetown university, a friend of Secretary Matthews, who voiced almost the same preventive war idea as Matthews.

Another earlier speaker at the air college was Brig. Gen. S. D. Grubbs, former commander at Maxwell, who, in an address before a civilian group in Montgomery during the Berlin blockade, urged an ultimatum to Russia that if the blockade was not lifted in 36 hours, we should declare war.

General Maxwell himself, speaking some time ago before the Kiwanis club at Montgomery, indicated that he favored immediate war with Russia; and there has been concrete evidence that the general follows a deliberate program at the air college aimed to indoctrinate students with the idea of an immediate attack.

All these matters have been reported to the White House from time to time; and as a result President Truman is determined that the original concept of military duty laid down by the founding fathers shall be followed, namely that it is the military's job to win wars not declare them.

NOTE 1—If the United States followed the advice of the generals in favor of an early war, it would appear—based on results in Korea—that the military are a long way from being prepared.

NOTE 2—A group of farsighted senators, led by Brien McMahon of Connecticut, have introduced a resolution calling for a disarmament conference to show the world that we would reduce armament if Russia would do the same. While they have no great illusions that Russia would reduce, they feel it important to keep his peaceful goal before the world.

Capital News Capsules

LECTURE IN LONDON — U.S. Ambassador Douglas has bawled out the British for talking rearmament but doing nothing. Last week he told Foreign Minister Bevin in very plain English that the United States was shocked at failure to call parliament back into session. The ambassador also told Bevin that Britain's current plan for rearmament is completely inadequate; that whereas the United States is calling up thousands of men, Britain is merely making time.

BEVIN'S LAST CONFERENCE—British Foreign Minister Bevin has cabled Secretary Acheson asking a full review of Anglo-American policies for the Far East when Bevin comes to New York next month. This will be Bevin's last major conference as foreign minister of Great Britain. Among other things he will try to persuade the United States not to become embroiled with Chiang Kai-shek and the Kuomintang any further. The reason: Communist China and the Kremlin are making tragic headway in calling this a war between the yellow races and the white race. Bevin fears we'll lose out all over Asia.

WARNING NEHRU—U.S. Ambassador Loy Henderson has warned Prime Minister Nehru that he should call off his proposed trip to Communist China. Peace-making efforts in Korea, our ambassador told the prime minister, should be left to the United Nations. If Nehru feels he wants to contribute, Henderson said, he should fly to Lake Success to head the Indian delegation. . . . Meanwhile the Kremlin is secretly currying favor with Nehru by offering large quantities of wheat to India's starving millions. The State Department, on the other hand, hasn't been able to get Congress to permit us to ship agricultural surpluses to India.

LOYALTY BEGINS AT HOME—Hard-hitting Tony Tauriello, the Congressman from Buffalo, N.Y., has made a unique appeal to Louey Johnson to resign as secretary of defense. Tauriello puts it on the ground of loyalty. . . . "The chief executive is loyal to his friends, loyal to his cabinet officers, sometimes loyal to a fault," the congressman wrote Johnson direct. "You should resign because you have lost your usefulness to him and you save lost your usefulness to the American people. Remember that loyalty works both ways. And if you are loyal to Mr. Truman in the true sense, you will act in his interest, not your own."

BASING POINT ROW AGAIN—Senator Ed Johnson of Colorado and a subcommittee are trying to overrule a Supreme Court decision and a presidential veto—in a most unusual way. Both the court and the White House ruled emphatically against the basing-point system. But now, five senators, all violently pro-basing point, are giving a third-degree interrogation to the Federal Trade Commission, which must enforce the basing-point decision. Coaching the senators backstage is William Simon, a registered lobbyist for the basing-point business group.

Benefits for Added Millions Under New Social Security Law

By Peter Edson
NEA Washington Correspondent

WASHINGTON—(NEA)—Questions are pouring in on Washington about changes in the Social Security Law just passed by Congress. Main drift of the questions is: What can I get out of it? How do I go about getting it? When do I get it? How much does it cost me?

There are 480 local Social Security offices scattered about the United States. Look in your local telephone book to see if there's one in your town. It should be listed as "Social Security Field Office." Or it should be so listed under "U. S. Government."

If there is no Social Security Field Office in your city, ask at your local Post Office for the office of the closest place where you can get information. Your local Post Office will also have available application blanks for Social Security cards and numbers.

If you are eligible for Social Security benefits and if you don't have a card and number, apply for one. If you once had a card and lost it, apply for a duplicate. If you were once employed on a job covered by Social Security, then changed to a job not covered, and are now eligible for coverage under the law, make sure that you still have your old card, or apply for a duplicate. It is important to you that you get the same number that you had before.

The 3 million people who are now receiving Old Age and Survivors' Insurance benefits won't have to do anything to get the new, higher benefits which will be payable after Sept. 1.

World War II Veterans Given Wage Credits

One class eligible to receive new benefits after Sept. 1 will include some 750,000 people who did not have sufficient insured time under the old law, but who will have sufficient employed time to qualify under the liberalized provisions of the new law.

Under the new law, anyone 65 years old is eligible for benefits if he has worked in an industry covered by Social Security insurance for six consecutive quarter-years (a total of a year and a half) between 1936 and Sept. 1, 1950; and if his earnings averaged $50 a month in these six quarters.

In making the calculation, World War II veterans will be given Social Security wage credits for the time spent in service at the rate of $160 a month, unless this calculation is used for credit under any other government pension system.

Social Security Field Offices want to hear from any of these people now made eligible for benefits, so that they can file claims.

In addition to these starts for old cases, there will be an estimated 9,700,000 people formerly not under the law at all, who may make new starts. Included will be the following groups:

New Groups Who May Benefit

1. Non-farm, self-employed people, 4,700,000. Doctors of all sorts, veterinarians, funeral directors, lawyers, accountants, professional engineers and architects are excluded.

2. State and local government employees, 1,450,000. Their States must elect to come in under the Federal Social Security system.

3. Regularly employed, non-farm domestic workers, 1 million. They must work 24 days or more every three months (two days a week) for the same employer and must earn over $50 cash wages per month.

4. Agricultural processing workers (canners, etc.) 200,000.

5. Regularly employed farm workers, 650,000. They must work 60 full days and earn $50 or more per month cash wages for three months, provided they had continuous employment with the same employer during the previous three-month period.

6. Employes of non-profit institutions, 600,000. Two-thirds of the employes of each institution and their employer must elect to take out coverage.

7. Federal government employes not covered by another pension system, 200,000.

8. Americans employed by American employers outside the U. S., 150,000.

9. Employment in Puerto Rico and the Virgin Islands, 400,000.

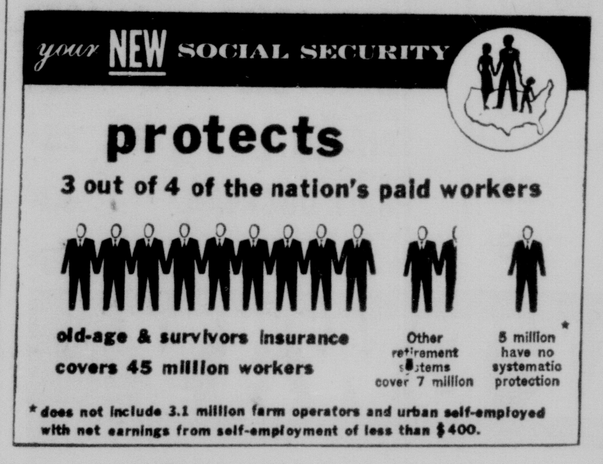

10. Full-time wholesale salesmen, full-time life insurance salesmen, agent-drivers and commission-drivers distributing meat, fruit, vegetables, bakery products, laundry and dry cleaning, beverages other than milk, 350,000.

11. Industrial home workers earning at least $50 a quarter, if Their work is subject to regulation by State law. There is no estimate of how many of these home workers there might be.

These are the ABC's of the new Social Security law, in simplest terms.

Other benefits of the new law will be explained in more detail in the next issue of this newspaper.

Mark 9:33—34; Matt. 19—22; Luke 18:11—12; Matt. 6:1—4

SELF-REFERENCE OR GOD-REFERENCE

When you are tense and unrelaxed, you are still centered in yourself. You are the center of reference—you are trying to hold your world together. When you relax, you shift the center of reference from yourself to God. You are no longer a self-centered person, but a God-centered person. Relaxation means release—from yourself. When you are unrelaxaed and tense, you are like a person who holds his breath in order to save his lungs. The lungs are saved only as you allow them to take in and give out. So you, too, are saved only as you take in—prayer, and give out—service to others.

When you live in a state of self-reference, you automatically shut yourself off from the guidance of God, and hence from His resources. The town of Lyons, Iowa, was situated at the narrow place in the Mississippi river where the railway bridge would be bound to be built, so the citizens thought. They held up the railway company for an exorbitant price for the land. The railway company therefore decided to cross at Clinton, which offered them land free. Clinton has prospered; Lyons has withered. If you live in a state of self-reference, you will end in self-impoverishment.

Dr. Alexis Carrel says: "Thus psychoanalysis, in directing the mind of the patient upon himself, may aggravate the state of unbalance. Instead of indulging in self-analysis, it is better to escape from oneself through an effort that does not scatter the mind." The only way to escape from yourself is to make God and His will the center of your consciousness and your life plans. You then live in a state of God-reference instead of in a state of self-reference.

We can make no impression on a tense conscious mind. Relaxation is receptivity. "These people won't let me do anything for them; neither will you," said Christ to a distracted soul bowed in a cathedral. When she did not inwardly let go, then the power of God poured into her, lifted her up out of depression and defeat into release and victory. She now has a soul leisured from itself, the instrument of God's power to others.

My Gracious and Redeeming God, I have been blocking Thy power in my life by my tense fears and withholdings. Let me this day be as relaxed and as receptive as a little child. Then life shall become play, and my hardest tasks simply joy. Spontaneity will bubble in every act and thought as I go on my released and happy way. I thank Thee. Amen.

The Doctor Says—

Convalescence Is Important Part of Cure for Any Disease

BY EDWIN P. JORDAN, M. D.
Written for NEA Service

Few people go through life without at some time encountering one or more serious illnesses. If the disease has been severe or long-lasting, good health does not come at once, even when the symptoms have all gone. Normal vigor and pep may take a long time to return.

This period between the end of the active symptoms of a disease and the recovery of good health is called convalescence. People are often somewhat discouraged when convalescence seems to drag on for a long time. Yet convalescence from a disease or an operation is an important part of the picture and requires understanding and good medical care.

An unusual amount of rest is almost always necessary. At first, rest in bed is generally required. The person who gets up too soon or stays up too long may suffer a relapse which delays the return of perfect health. The motto of convalescence should be, "Do everything gradually."

At first a short period out of bed in a chair is in order. The periods out of bed can be gradually extended to other rooms, other floors, and the outside world. The amount of fatigue shown after the periods of being up is a good sign as to whether they have been too long or just right.

In addition to gradually increasing the activity, plenty of sleep and soft but substantial foods are desirable. Most convalescents require frequent small meals rather than a few larger ones.

Don't Be Impatient

Of course the inclusion of special foods at this time depends on the disease or operation experienced and must be individually prescribed. The principle of small frequent feedings of easily digestible food is almost always the same, however, regardless of the type of illness suffered.

Relaxation and realization of the fact that convalescence may be slow is an important factor. Many people are impatient to get well and tend to take chances too soon. The gradual increase of activity, proper diet and resumption of normal life is the best guarantee that convalescence will progress as rapidly as can reasonably be expected. The care used during this period has a great deal to do with eventual complete recovery.

Dr. Jordan will answer questions from his readers in a special column once a week. Watch for it.

Hot Weather Inquiry

CHICAGO—(AP)—In the midst of one of the summer's hot spells the Chicago Association of Commerce received a letter inquiring about prospective prices of Christmas trees.

The Way It Looks From Where We Sit

X

THE news that Mrs. Muchmore had died and that I might have prevented it, except that my shoe lace had broken and I had fallen down a flight of stairs and landed in a hospital, brought back the bees in my head for a moment. When I straightened up again, Betsy Sharpe was talking:

"Aunt Myra's at the Muchmore house," she said. "She thought she could help."

"Let's go," I told Roger Blessen. I was expecting Sally and a flock of orderlies and internes to come boiling out of the hospital in search of me, the runaway patient.

Roger stepped on the starter and in a couple of minutes we were safely away. Then I thought of something else. "Did the vet save her Pekinese—Ching?" I asked.

Roger shook his head. "Ching was dead before Mrs. Muchmore got him to Dr. Doan's place. She went straight from his place to her lawyers and it was all over town that I was going to be arrested. But she got sick—"

Roger sighed from his shoestrings.

"Heaven knows if I'll ever be in the clear," he finished miserably.

I saw Betsy's hand tighten over his. "Doc can do something about it," she told him confidently. "Now that he's out of the hospital, he can find the person that's been poisoning those dogs."

I straightened my shoulders and set back with my chest out. I may not look like Sir Launcelot, but a fair lady had every faith that I could kill her personal dragon just as well as any boiler-plated knight in full flower. It was something to know that Betsy relied on me—if she couldn't love me—I'd probably get over it in time, and Sally really did have nice blue eyes.

* * *

THE late Mrs. Muchmore's maid looked at us from a tear-swollen face as she answered our ring. Grace Muchmore had been a good old girl; when your servants love you that's a mighty good sign.

Catching a glimpse in the hall mirror of the white beehive I wore on my head and remembering that I was barefooted, I wasn't surprised that the maid stared. But she showed us into the little parlor her dead mistress had called the morning room.

Miss Myra Sharpe turned quickly away from the desk as we came in. She gasped in astonishment when she saw me.

"Doc! Why, I thought you were in the hospital!"

"I'm all right. They let me out for an emergency." I gave Betsy and Roger a straight look that told them to keep their little traps shut, even if they believed that I had gone off my rocker, too.

"But your head—"

"That?" I tapped the beehive with a casual finger. "That's the new look in bandages." Then I got serious. "I was certainly sorry to hear about Mrs. Muchmore's death. It must have been a terrible shock to you, losing a friend so suddenly. I hate to come barging in at a time like this, but I had to see you."

Miss Myra looked surprised and so did Roger and Betsy. I went on earnestly:

"Do you remember those tablets I put up for your father last summer? Dr. James has a patient with a similar heart ailment now and when I went to give him some of those tablets—they're standard medication—I found I'm temporarily out of them. Of course, I wired for more and they will come in on the afternoon train, but if you could let me have the rest of the tablets from the last prescription I filled for your father, it would be a real help. When I looked up the prescription I saw that I'd filled it for 50 tablets the day before the old gentleman died."

Miss Myra shook her head, but she tried to remember. "I can't recall that there were any tablets left after Father passed on—" She fiddled with the catch of her bag, then shook her head some more.

"Surely there were," I insisted. "The dose was only two a day."

"I suppose there must have been," Miss Myra agreed reluctantly, "but I don't remember. But I do remember that I threw away all the medicines when I cleaned up Father's room—afterward."

"Well, that's that," I shrugged my shoulders. "If you don't have them, you don't have them. I guess Doc James' patient will get along until the train comes in. But I thought it was worth trying to see if you had the tablets still." I wandered aimlessly around the little morning room as I talked, fingering a pile of magazines, straightening the lid on the empty candy jar on the desk, peering into the waste basket.

"Why don't you want Betsy to get married?" I asked Miss Myra.

* * *

MISS MYRA stared at me with her mouth open so long I noticed that she was overly long in the tooth. I repeated the question.

"You certainly are acting queer," she said then, her voice tart. "I don't think you should be out of the hospital. I have no objection whatever to Betsy marrying. If it's any of your business!"

While Betsy and Roger stared at me, I told Miss Myra, "It is my business. Because I'm fond of Betsy . . . because I really want her to be happy. Why are you trying to break up Betsy and Roger?"

"Your choice of words is as unfortunate as your nosiness," Miss Myra said in a huff. "I'm not trying to 'break up' Betsy and Roger." Then her voice became self-righteous. "But I would be doing less than my duty if I didn't point out to Betsy that she'd be making a mistake to marry a man of such violent temper and unpredictable actions—a man who could easily slip over the borderline into—"

(Editor's Note: Here's the sixth of a question-and-answer series that tells how the Korean war affects reservists, veterans, draft-age men, and anyone likely to be called to service. The author, a member of the Washington staff of NEA Service, conducted a widely-read column on "Your GI Rights" in the months following World War II. He will answer questions only in this space, not by mail.)

WASHINGTON — (NEA) —

Q. Have women reservists in the Army Nurse Corps been called to active duty yet?

A. Not yet.

Q. What are the Marines doing about its reservists who are called up but who are in college?

A. If a man has only one-half year or less of study to complete in order to receive diplomas from either college or high school, the Marine Corps is deferring him.

Q. I have received my call to active duty in the Army. But conditions at home make it extremely difficult for me to respond within the next couple of months. Is there any way I can get my notice postponed? I am in an organized reserve unit.

A. Yes, state your case in a letter and send it to your unit commander or unit instructor. He will forward it to the commanding general of the Army area in which you live.

Q. After a man receives his order to report for induction, how long does he have before he must report for induction?

A. At least 10 days. But the registrant won't be inducted sooner than 21 days after he is notified by his local board that he is acceptable to the armed forces. When he gets that first notice he will know that his induction is certain and he can start to wind up his personal affairs.

Q. Is there any age limit on reserve officers who are being called for active duty?

Chinese Scientist

A warrant of detention was issued in federal court at Los Angeles, Calif., to halt the shipment to Communist China of cases which the government alleges contain technical information relating to air travel and missiles. Dr. Hsue-shen Tsien (above), head of a jet propulsion project at the California Institute of Technology, said the cases belonged to him. (AP Photo)

Clarksburg

Mrs. Maude Albin

Rev. H. J. Wood of California, spoke at the Baptist church Sunday morning and Sunday evening. He was accompanied Sunday morning by Mrs. Hood and daughters, Mary and Martha.

Mrs. Birdie Sturgis had as guests last week, two of her sons and their families, Mr. and Mrs. Ned Sturgis and son, Bobby, of Richland, Calif., and Mr. and Mrs. Hugh Barton Sturgis and daughter, Sarah Sue, of Springfield. The sons each have vacations of two weeks and are visiting here with their mother and sister, Mrs. Hilton Douglas and Mr. Douglas.

The Business Women's circle of the Baptist church held its monthly meeting last Monday evening at the church annex. Two visitors were present. Mrs. Dameron was the leader of the meeting and Superintendent C. L. Pearson had charge of the Bible study.

Mrs. G. C. Van Stratten had as her Sunday dinner guests, children and grandchildren: Mr. and Mrs. Oliver Van Stratten and two sons of Omaha, Neb., who have been spending their vacation here; Mr. and Mrs. Jack Crawford and daughter, Sharon Kay, of Warrensburg; Mr. and Mrs. Herbert Howe and daughter, Mary Eloise, of Lupus, and Mr. and Mrs. Loyd Riechel and son, Mickie, of Lexington.

A large number of people from the Clarksburg community attended the Missouri State fair in Sedalia last week.

Miss Vivian Holloway had as her guests Monday night: Miss Marie Furkin and Mrs. Dave Youngberg, both of Kansas City, and Miss Mildred Cobb of Mayview. They were en route to Pattonville, where they will be teachers in the Pattonville school. Miss Holloway will teach in Syracuse.

Mr. and Mrs. Orla Bolinger and son, Kenneth, were Sunday dinner guests of Mr. and Mrs. Leonard Martin and children of Cross Lane community.

An auction was held at the Clarksburg high school Saturday to sell the different school houses and other buildings in their yards, that were in the consolidated territory of the Clarksburg high school. All the seats, musical instruments, books and all the contents of those schools were sold.

Mrs. Golder Martin and son, Alan, west of Clarksburg, were Sunday afternoon and supper guests of Mrs. Martin's mother, Mrs. Nola Martin, in Clarksburg.

Mrs. Ed Crawford and granddaughter, Sharon Kay Crawford, of Warrensburg, who was visiting her, spent Wednesday in California with Mrs. Crawford's sister, Mrs. Stella Allee. It was Mrs Allee's birthday.

Mr. and Mrs. Leonard Martin and children had as their guests Saturday evening, Mr. and Mrs. Ray Dunham, Mrs. Leo Pettey and son, Lary, of the Excelsior community.

Mr. and Mrs. Martin Battles and children, were guests Sunday of her father, brother and sister-in-law, Leo Hentges and Mr. and Mrs. John Hentges of Centertown.

Miss Barbara Ann Koechner and her cousin, Miss Dorothy Battles, started school at the Tipton parochial school Monday.

Mr. and Mrs. Len Wall and daughter, Linda Kay, of Kansas City, visited during the week-end with Mr. Wall's parents, Mr. and Mrs. Hobart Wall and with Mrs. Wall's sister and family, Mr. and Mrs. M. S. Battles and children. They also visited at Centertown with Mrs. Wall's father and brother and sister-in-law, Leo Hentges and Mr. and Mrs. John Hentges.

French-fried potatoes should be well drained; when they are ready to be lifted out of the fat hold them over the fat kettle for a few seconds to drain, then place them on brown paper or an absorbent paper towel.

Serve poached eggs on toast spread with deviled ham for a breakfast change.

To make dry bread crumbs put dry or toasted bread slices thru a food chopper, using the fine blade. If very fine crumbs are desired sift the crumbs through a sieve and store the coarse and fine crumbs separately.

Light shades of blue in almost any article of clothing have been found not sun-fast.

READY-TO-EAT PICNICS

Leading Fancy Brands! All Lighter Weights

HERE'S WHY YOU SHOULD GET GOOD VALUE AT A&P STORES. A&P sell only picnics that are lighter in weight. In order to give you better value, of course! Big, heavy, jumbo picnics with long shanks and excessive amounts of fat are no bargain, even when sold at very low prices. The meat is apt to be tough—coarse—wasteful.

Lighter picnics from A&P are tasty, tender, flavorful. They make an economical meal, and you can depend on their quality. Compare these points in favor of the picnics A&P sells:

1. Doubly dependable, because they are backed by the reputation of famous packers and also by A&P "Super Right" Standards of quality.
2. Well trimmed, no long shanks.
3. Every one guaranteed to please, or your money back.

Remember, when you want quality smoked meats, visit your A&P Market

State Fair Awards

4-H Club and Junior Dairy

The 1950 4-H club exhibits totaling 1079 articles of clothing, 526 on food preparation, 377 on home furnishings and smaller numbers on home service and home grounds crowded the 4-H club building, centrally located on the Missouri State Fair grounds.

Vegetables, poultry, county collections of displays and educational displays were included along with the best exhibit of livestock since the advent of state fair competition. Three breeds of beef steers totaling 85 head, 115 head of pigs of five breeds, four breeds of sheep and an improved number of dairy heifers were shown this year.

The junior dairy show is made up of both 4-H club and F.F.A. exhibits showing together without identification and the Danish system of blue, white and red classification is used with inferior entries not classified.

This system is used in all 4-H competition except when competing for grand championships and championship ribbons in county or other groups. Wendell Holman, Columbia, is superintendent of the large Junior Division of the Sedalia fair. J. P. McGinnis, Jefferson City, is his assistant and Robert S. Clough, Columbia, is supervisor. Fifteen judges were used this year.

Jewelry accents for fall are chosen with an eye to style, fabric and color of clothes. Round neck of afternoon dress (above) is accented with choker of dark blue faceted beads entwined with pearls. Bracelet and earrings offer same sparkle.

Sleek lines of dinner dress (center) are repeated in long pearl necklace with bright, gem-set pendant. Matching earrings complete costume. A delicate tracery of rhinestones (above) removes bare look from strapless, bouffant dance frock.

COW-TO-CONSUMER—Tabby, the barnyard cat at Statesville, N. C., takes hers straight—straight from the cow, that is. Nancy Mason is the pretty dairy maid who's giving Tabby the direct service, eliminating all middlemen.

Treasurer's Vacation

Enjoying her first vacation since she took over the post of U. S. Treasurer, Georgia Neese Clark mows the lawn of her Topeka, Kas., home. Honored by over 500 Republicans and Democrats at a dinner, Mrs. Clark said she believes this country was "woefully unprepared" for the Korean conflict because "we weren't willing to spend enough." (NEA Telephoto)

When eggs are not on the breakfast menu use them to make a quick and delicious lunch. Serve them scrambled or in an omelet with tomato sauce and add whole-wheat toast, a green salad, and a glass of milk to the menu. Dessert might be fresh fruit and cookies.

Besides being extremely nutritive, organ meats such as liver, kidney and heart are economical. Liver contains five times as much iron as muscle meat and kidney and heart twice as much. All these meats are quickly and easily prepared.

Before going to Colorado about 30 years ago, Mr. Nichols was employed as a machinist helper at the shops.

R. G. Franklin, boilermaker helper, who has been off duty for the past several months because of illness, has resumed his duties at the shops.

Milton Matthews, tool room foreman is taking a two-week vacation. His job is being filled by E. E. Swafford.

Mr. and Mrs. J. W. Witte are spending a few days visiting relatives and friends in Sedalia. Mr. Witte, who served his apprenticeship at the shops is working as a sheet metal worker at McGehee, Ark.

A. P. Boles, livestock director for the Missouri Pacific with headquarters in St. Louis, was a visitor in Sedalia on the State Fair last week.

Pete Linton, sheet metal worker, has entered the Missouri Pacific hospital in St. Louis to receive medical attention.

Mr. and Mrs. Roy Gardner and children, John and Larry of Coffeyville, Kas., have returned home after spending a few days visiting relatives and friends in Sedalia.

Mr. and Mrs. F. W. Long of Omaha, Neb., are spending a few days visiting in Sedalia and while here attended the State Fair. Mr. Long a former Sedalian, is employed with the Burlington in Omaha.

Mr. and Mrs. W. J. McWenny and children of St. Louis are visiting relatives and friends in Sedalia and will spend next week at the Lake of the Ozarks where they have business interests. Mr. McWenny is employed with the Santa Fe in St. Louis.

John Blue, machine shop foreman, returned to work Monday after a two-week vacation.

Though coats may go to any length for fall, here are three lengths most stressed. The three-quarter coat (left) is in rustic copper trimmed with four hand-polished brass buttons. Side fullness and deep armholes make the short coat (center) in cabin brown chinchilla an ideal suit companion. The full-length coat in alpine gold (right) has rounded dolman sleeves and mushroom collar.

Banana, Pear and Watermelon Salad with Whipped Cream Dressing
(Recipe for Starred Dish Follows)

Summer Egg Salad Sandwiches

Ingredients: 4 hard-cooked eggs, 2 tablespoons mayonnaise or mayonnaise-type salad dressing, 2 tablespoons finely chopped celery, 2 teaspoons prepared horseradish mustard, 3 tablespoons finely chopped sweet pickle (3 small whole sweet pickles), salt and pepper to taste, thin slices bread or toast, ½ medium-sized cucumber (peeled and thinly sliced).

Method: Put eggs through ricer or mash fine with a fork. Add mayonnaise or salad dressing, celery, mustard, sweet pickle, and salt and pepper to taste; mix well. Spread in two rows. Spread egg filling evenly on half the slices; top with thin slices of cucumber, add remaining bread slices and cut in half diagonally. The filling yields about 1¼ cups; for 5 hearty sandwiches use 1-4 cup of filling for each.

(Recipe for Starred Dish Follows)

Pat's Meat Loaf

Ingredients: 1½ pounds ground chuck beef, 1 cup prepared seasoned dry bread crumb stuffing, 2 eggs, 1 No. 2 can solid-pack tomatoes (1 pound three ounces), 1 1 to 1¼ teaspoons salt (depending on seasoning in stuffing), freshly-ground pepper to taste.

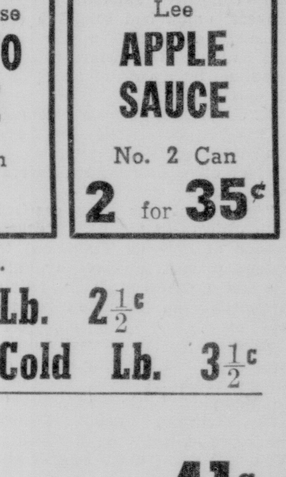

Method: Put beef in mixing bowl; add stuffing and eggs. Measure 1 cup of the tomatoes (about half tomato pulp and half juice) and add with salt and pepper. Mix thoroughly with spoon or fingers. Pack into heat-resistant glass baking dish (6x10 inches measured across top); use bottom of measuring cup to smooth down top. Drain remaining tomatoes in can, saving juice, and cut each in half; place tomato on top of meat so that there will be some on each piece when loaf is cut in 6 squares. Bake in moderate (350F.) oven about 40 minutes or until done. Squares may be removed from pan just before serving and pan-juices added to the tomato juice remaining (there will be about ½ cup), and thickened slightly to make a thin gravy. Makes 6 servings.

Asks Demotion To Get a Uniform

KANSAS CITY, Aug. 30—(AP)—Kansas City's police patrolmen are furnished their uniforms. Detectives wear business suits and buy them themselves.

Today, Lawrence N. Hanks, 38, a detective nine years, was granted his request for demotion to patrolman.

Hanks said he pays $100 for a suit to fit his 250-pound frame, and that's too much for his $260-a-month salary.

Housework Easy Without NaggingBackache

As we get older, stress and strain, overexertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Aid for Disabled

MOOSE JAW, Sask.—(AP)—A new retail store will sell merchandise manufactured at the disabled civilians' workshop here. It employs a staff of 24, of whom 20 are disabled, and produces about $48,000 worth of goods a year. These include silk and rayon dresses, cotton house dresses, sheets, pillow slips, coveralls, babies' diapers, nurses and waiters' uniforms, and hospital garments.

Both the store and workshop are jointly owned by the Saskatchewan government and the handicapped Civilians' Association of Saskatchewan.

Greatest noise producers in the animal world are the lion, bull elk, sea lion, wolf, and elephant.

Shells of mollusks do not grow. There is no life in them, but they are made by and added to the underlying skin.

MoPac Bus Strike Has Been Averted

ST. LOUIS, Aug. 31—(AP)—A threatened strike by 300 bus drivers of the Missouri Pacific Transportation company was averted Wed. at least until the end of this year.

Representatives of the company and the drivers agreed in a meeting here to go ahead at present rates until the end of the year, the company announced. The drivers' union had sought a pay raise of half a cent a mile, and had authorized a strike, with no deadline, by a vote of about five to one.

R. J. McDermott, vice president of the Missouri Pacific Bus lines, issued this statement after a session of both sides with a federal conciliator:

"Agreement has been reached with officers of the BRT (Brotherhood of Railway Trainmen) to extend present rates of pay until the end of the year at which time the matter can again be considered."

Missouri Pacific normally operates about 220 highway busses on routes radiating from St. Louis to Memphis, Little Rock, Texarkana, Houston, Corpus Christi, Brownsville, the lower Rio Grande Valley, Kansas City, Pueblo and Omaha.

MoPac also operates more than 200 daily schedules in suburban service in the Kansas City area, serving residential areas.
